Master of Music in Performance Degree

For the master of music in performance degree, students must take a minimum of 30 hours of formal course work. Of the 30 hours, a minimum of 10 hours is required in applied study, leading to a graduate recital. In addition, students will be advised to select a balance of courses (minimum of 10 hours) among music theory, music history and literature, and pedagogy. The remaining 10 hours include the required Graduate Studies in Music course - MUS 5900 (three hours), ensembles (two hours), a document (two hours) and electives (three hours).

Applicants are required to audition for the applied faculty. A diagnostic music theory and history exam will be administered before the first semester of enrollment. Applicants should have the minimum undergraduate GPA (2.70) required by the College of Graduate Studies for admission to the program. Applicants who do not have a minimum undergraduate GPA of 2.70 are required to take the GRE and report the results to the College of Graduate Studies and the department.

The Department of Music observes the UT Graduate College requirements for admission as a graduate student. All applicants must have achieved a minimum 2.7 GPA in their undergraduate degree program in music from an accredited institution. The department assessment of the applicant's submitted application includes examination of the applicant's transcript and letters of recommendation.

Applicants for a Masters degree in Music with an undergraduate GPA below 2.7 need to achieve a combined verbal and quantitative score of at least 800 on the GRE [if taken before August 2011] or 280 [if taken in August 2011 or later]. If they score below these standards, the Department Graduate Committee may recommend acceptance of the student provisionally. Provisional Masters in Music Education students are required to achieve a minimum 3.5 GPA in their first semester College of Education core classes for elevation to regular student status. Provisional Masters in Music Performance students are required to achieve a minimum 3.5 GPA in their first semester music classes, lessons, and ensembles for elevation to regular student status.

Students with lower scores may still be considered for admission if their academic record and audition shows a strong musical aptitude and promise. GRE scores have to be sent directly from ETS to The University of Toledo. The ETS code for the university is 1845. Test scores for the GRE cannot be older than 5 years from the first day of the term that the student begins their program.
