## **Admission Policies**

New first-year students must (1) submit a college test score (ACT or SAT) and (2) have either a 2.5 high school GPA or ACT composite of 20 (or SAT combined reading and math score of 950) to be admitted to the College of Languages, Literature, and Social Sciences. Applicants not meeting these standards will be admitted to the Department of Exploratory Studies in the College of Languages, Literature, and Social Sciences.

To be considered for admission to the pre-med, pre-dent and pre-vet programs, students will need a minimum high school cumulative GPA of 3.2 and an ACT composite score of 25 (or minimum SAT combined reading and math score of 1150). Students should also have successfully completed a minimum of three years of high school mathematics (algebra I, algebra II and geometry) and high school chemistry. Applicants not meeting these standards but meeting the Languages, Literature, and Social Sciences college admission standards will be admitted to the College of Languages, Literature, and Social Sciences degree program of their choice as BA (undecided) majors.

## **Change of College**

Students in good standing (i.e., with a cumulative GPA of 2.0 or higher) who wish to change from another college of The University of Toledo to the College of Languages, Literature, and Social Sciences should make an appointment with a college Adviser in the College Student Services Office to discuss their transfer and have their academic records reviewed. External transfer course work previously evaluated by other UT colleges will be re-evaluated. All college requirements, including core, distributive, major and related requirements, must be fulfilled as specified in the catalog for the year in which the student enters the College of Languages, Literature, and Social Sciences. Credit restrictions and level requirements for College of Languages, Literature, and Social Science students will apply. Continuing UT students seeking admission to pre-medical, pre-dental and pre-veterinary programs must have a 3.0 cumulative college GPA and have completed CHEM 1090 or 1230 and MATH 1320 or higher with a B or better.

### **Admission with Transfer Credit from Another Institution**

No more than 94 semester hours of credit earned at other institutions may apply toward a degree in the College of Languages, Literature, and Social Sciences. Course work from other institutions is accepted at the level of the UT course equivalent. Students with transfer credit are generally expected to fulfill all University and college course requirements for a degree in the College of Languages, Literature, and Social Sciences as specified in the catalog for the year in which they enter the College of Languages, Literature, and Social Sciences. In some cases, not all the credits that transfer into The University of Toledo will apply toward a degree in the College of Languages, Literature, and Social Sciences, e.g., developmental courses and excess credits in the major and in technical subjects. Transfers from other institutions shall take at least 30 semester hours at The University of Toledo, including 12 semester hours of work in their major field and 9 semester hours in their minor field, regardless of the number of hours transferred.

Students transferring to the University of Toledo in Spring 2007 or later, including transfer readmits, must meet minimum GPA requirements in their Languages, Literature, and Social Sciences majors and minors with both (1) the grades of all courses attempted at UT and (2) in a second calculation, the grades of all courses attempted at all institutions (including UT). The grades of all courses (from all institutions) that are used by those students to satisfy UT general education competency requirements must be used in the calculation of the UT general education GPA.

UT students who attend other institutions as guests or transient students in Fall 2008 or later must also meet minimum GPA requirements in their Languages, Literature, and Social Sciences majors and minors with (1) the grades of all courses attempted at UT and (2) in a second calculation, the grades of all courses attempted at all institutions (including UT). For students admitted prior to Fall 2012, the grades of all courses (from all institutions) that are used by those students to satisfy UT Core requirements must be used in the calculation of the UT Core GPA. For students admitted Fall 2012 or later, grades of all courses used to satisfy general education competency and distributive requirements must be used.

Transfer students should note that The University of Toledo will include all course work taken at all institutions of higher education in the calculation to determine if a student will graduate with honors. All college course work ever taken is computed in determining eligibility for graduation with honors, although no student will be awarded a level of honors above that indicated by The University of Toledo cumulative grade point average (GPA). Note: The University of Toledo requires a minimum of 30 semester hours of standard letter graded courses from UT in order to qualify for graduation with honors.

An applicant who has undertaken courses at a regionally accredited college or university and who submits through the Office of Undergraduate Admission for Adult, Transfer and International Students an official transcript listing courses and grades and giving evidence of good standing will be admitted to the College of Languages, Literature, and Social Sciences, provided the student has maintained a minimum GPA of 2.0 on a 4.0 scale.

Exceptions to this minimum admission requirement for academic majors are rarely made and require the applicant to demonstrate, in a written petition to the committee on academic standing, that there are special circumstances that warrant waiver of the requirement. Approval of the petition is not automatic, and those students who are admitted by petition will be placed on special probationary status and must meet certain conditions to remain enrolled.

If the college from which the applicant transfers lacks proper accreditation, the student may be denied transfer credit on the basis of the transcript, but may be allowed to obtain credit by passing advanced standing examinations with at least a C grade. Official transcripts of records from all schools previously attended must be on file with the Office of Undergraduate Admission for Adult, Transfer and International Students before the student will be permitted to register.

### **A Second Degree at The University of Toledo**

A student earning a first degree at The University of Toledo in a college other than Languages, Literature and Social Sciences may earn a second bachelor's degree in the College of Languages, Literature, and Social Sciences by satisfying all requirements for both degrees. An undergraduate with a degree from another institution is considered a transfer student. Such a student is then considered a candidate for a second degree. See requirements for admission with transfer credit from another institution. See also sections on majors and minors for restrictions.

### **Requirements for Students with an Associate's Degree**

Students holding an Associate of Arts or Associate of Science degree from an accredited college are encouraged to enroll in the College of Languages, Literature, and Social Sciences and, in many instances, may expect to earn an appropriate baccalaureate upon completion of two years of full-time study. Students with an Associate's degree in a technical program will likely require more time to complete a bachelor's degree. The following regulations apply:

- Students must complete the equivalent of the specified University and college general education and distributive requirements for a bachelor's degree. In all baccalaureate programs, a minimum of 64 hours must be taken at the 2000 to 4000 levels; of these, a minimum of 32 hours must be taken at the 3000 to 4000 levels in baccalaureate degree - granting colleges. Course work from other institutions is accepted at the level of the UT course equivalent.
- Students may enroll in any departmental, interdepartmental or interdisciplinary program for which they meet the admission criteria. All of the usual major and related area requirements must be fulfilled as specified in the catalog for the year in which the student entered the College of Languages, Literature, and Social Sciences.
- For students with an Associate's degree in a technical program, no more than six additional hours of credit outside the college may apply toward graduation.

## **Readmission of Former Arts and Sciences or College of Languages, Literature, and Social Sciences Students**

Students who have withdrawn from the former College of Arts and Sciences or the College of Languages, Literature, and Social Sciences and The University of Toledo and have not attended any other institution in the interim may be readmitted, provided they were eligible to continue enrollment in the college at the time they discontinued attendance. Such students should readmit at the College Student Services Office. Students who have been suspended from the former College of Arts and Sciences or the College of Languages, Literature, and Social Sciences must submit a written letter of petition. Students who readmit after more than 12 consecutive months' absence must comply with existing college requirements at the time of readmission.

### **Academic Policies**

Refer to UT Policy website (<http://www.utoledo.edu/policies/>) for academic policies that apply to all students.

### **Academic Advising**

Academic advising is a process intended to help students derive as many benefits as possible from their education. This occurs when Advisers help students develop and reach academic and career goals. While the ultimate responsibility for making personal and educational decisions rests with the student, Advisers assist by helping to identify and assess alternatives and the consequences of decisions. Advising can be much more than selecting courses. The more frequently students arrange to meet with their Advisers; the better their needs can be served. New students, transfer students, students changing colleges, and continuing general studies students are advised in the College of Languages, Literature, and Social Sciences Student Services Office, University Hall Room 3000, by college staff Advisers. Students with declared majors and/or minors are advised by departmental major or program Advisers, faculty who provide general information as well as more specialized information about majors and minor programs, departmental course offerings, and career and graduate opportunities. They help students select courses for general, major, related, and other requirements. Students seeking more than one major or degree, a minor, or admission to professional school should meet periodically with one or more additional Advisers. A complete list of academic Advisers is available on the College website or in the College office.

### **Student Responsibilities**

Students are responsible for correctly selecting courses for their programs of study each semester and for fulfilling all degree requirements. Although Advisers will assist wherever possible, the final responsibility rests with the student. Students are expected to make sure that they are fulfilling all degree requirements, as published in the issue of the catalog of the former College of Arts and Sciences or the College of Languages, Literature, and Social Sciences under which they entered. Students who have been out of the former College of Arts and Sciences or the College of Languages, Literature, and Social Sciences for 12 consecutive months are responsible for the requirements in the University catalog under which they reenter.

## **Transcripts and Degree Audit Reports**

A transcript is a complete chronological list of a student's academic course work (including all courses attempted and grades earned). It does not show how specific courses apply or do not apply to University and college requirements as stipulated in this catalog. For example, developmental, excess technical, non-repeatable and certain other courses are not counted toward minimum credits for degrees, but appear on transcripts.

The Degree Audit Report (DAR) details all requirements applicable to a student's academic program (degree, major, minor) and applies the student's courses on the transcript (including transfer credit) to those requirements. The DAR should be used to identify requirements remaining when all registered courses are completed. The College of Languages, Literature, and Social Sciences Student Services Office (UH Room 3000) will provide an unofficial transcript and DAR to a College of Languages, Literature, and Social Sciences student presenting a picture ID. Students also may view their transcript and DAR through the myUT portal with Student Self-Service.

## **Declaring or Changing a Major or Minor**

To declare a major or minor or change one previously declared, students must fill out a form that is available in the College Student Services Office. Once students admitted as Exploratory Students have chosen a major, they must see an academic adviser in the college that houses the major and complete the change of college forms.

## **Sequence of Courses**

There is no single prescribed sequence of courses, except that all first-year students should take LLSS 1000 Orientation, College Composition I and II, and any developmental courses required on the basis of placement testing and/or high school deficiencies. Students should consult the later sections of the catalog devoted to programs of study and course offerings, and they should review their programs with their academic Advisers to ensure they complete courses in the proper sequences. In addition, students should use their Degree Audit Reports to track their progress.

Students majoring in the areas of humanities and social sciences are expected to defer most of their major work until the junior and senior years, except for courses prerequisite to the 3000 and 4000 level courses in their fields. Outside the major, during the first two years, they should be sure to take those courses in the general requirements that are prerequisite to courses they wish to take as juniors and seniors.

## **Study Abroad or Study Away**

Students who plan to study abroad or away must be sure that their proposed course of study is properly accredited. Its academic acceptability should be verified by the college before departure. Students also should ascertain in advance from their Advisers whether the course work will count toward their general requirements, majors, or related areas or only be regarded as elective. Credit for foreign language study is subject to the approval and recommendation of the department of foreign languages.

Information about study abroad programs is generally available from Advisers in many college programs and departments and from the Center for International Studies and Programs, Snyder Memorial, suite 1000.

### **Transient (Guest) Enrollment at Another Institution**

College of Languages, Literature, and Social Sciences students must have advance permission both to enroll elsewhere as a guest and to take specific courses. The Transient Student form for this purpose is available in the College Student Services Office and on the college website. Students enrolling without permission will be considered transfer readmits upon their return to UT. LLSS students enrolled as transients or guests at another institution must submit an official transcript to the UT Office of Admission at the conclusion of the enrolled term. Grades of all courses attempted in the major, minor, and UT Core will be used in cumulative GPA calculations for students admitted prior to Fall 2012. For students admitted Fall 2012 or later, the second calculation will be based on all courses attempted in the major, minor, and general education competency requirements.

### **GPA Recalculation for Repeated Courses**

The College of Languages, Literature, and Social Sciences permits a maximum of 12 semester hours or the equivalent of 18 quarter hours of course work to be deleted from the GPA calculation. Students who have had their GPAs recomputed under the Academic Forgiveness Policy are not eligible for grade deletions. Criteria governing GPA recalculation are given in the General Section of this catalog. Students should check with the College Student Services Office for more specific information on this policy. Students may not use repeat courses taken at other institutions to qualify for a GPA recalculation.

### **Withdrawal Policy (W, IW, DR Grades)**

The number of credit hours of W, IW and DR is limited to 22 hours for all undergraduate students in degree programs in the College of Languages, Literature, and Social Sciences. Once a student has accumulated 22 hours of W, IW or DR, further withdrawals will be counted as F's in computation of the student's GPA for purposes of probation or suspension. In addition, students who receive financial aid risk the loss of financial aid if they accumulate excessive hours of W, IW and DR.

Students who transfer into the College of Languages, Literature, and Social Sciences from another college at The University of Toledo will bring with them the number of W's, IW's and DR's accumulated in their previous work.

**Note:** Assignment of the IW and DR grades has been discontinued. A student wanting to be withdrawn from a course must file a petition in the Registrar's Office by the deadline in the term of enrollment.

### **Academic Probation**

A student whose cumulative GPA is less than 2.0 is automatically placed on probation until a 2.0 cumulative GPA is achieved (See Withdrawal Policy above). It is recommended that a student on probation not enroll for more than 12 to 14 credits.

## Academic Suspension

Academic suspension means that a student is prohibited from registering at The University of Toledo for a period of at least one semester. Students are subject to academic suspension if their GPA falls below the minimum GPA listed below or if they fail to make sufficient progress toward attainment of the degree. (See Withdrawal Policy). Students may remove Incompletes while under suspension.

A student is subject to academic suspension if the cumulative GPA is less than:

- 1.0 for 10 to 19 hours attempted
- 1.5 for 20 to 29 hours attempted
- 1.7 for 30 to 39 hours attempted
- 1.8 for 40 to 49 hours attempted
- 1.9 for 50 to 59 hours attempted
- 2.0 for 60 or more hours attempted
- After accumulating 60 credit hours without suspension, a student may be suspended if the cumulative GPA falls below 2.0 for two consecutive semesters.

## Trial Readmission Policy

After the required suspension period, a student may petition for readmission to the College of Languages, Literature, and Social Sciences committee on academic standing. (See <http://www.utoledo.edu/lss/des/iarp.html> for form). The petition must be received at least one month before the beginning of the semester in which the student wishes to readmit. If the petition is accepted, the college committee will determine the terms of the conditional registration agreement, under which the student will be permitted to re-enroll. Suspended students who are granted readmission must maintain the designated GPA for each semester thereafter and meet the conditions of their readmission agreement. Students failing to meet these conditions are subject to a one-year suspension.

## Dismissal Policy

Students who fail to meet the conditions for readmission after their second suspension are subject to dismissal and are not eligible for readmission to the College of Languages, Literature, and Social Sciences for at least three years. *Refer to the General Section of this catalog for information on the Academic Forgiveness Policy.*

## Academic Grievance

A student has the responsibility and right to call to the attention of an instructor any grade that the student believes to be in error or unfair. A student may appeal the decision of the instructor, in order, to the department Chair, the Dean, then to the college appeals committee if the problem is not resolved. If the problem is not resolved at the college level, the student may appeal to the student grievance council (*See also The University of Toledo Student Handbook*). A student must begin the appeals process no later than the end of the semester following the one in which the grievance arose.

## Statement on Academic Dishonesty

A student found to be academically dishonest by a faculty member may appeal, in order, to the department Chair, the Dean, the college appeals committee and the University student grievance council. The procedures for making an appeal to the student grievance council may be found in The University of Toledo Student Handbook. *Refer to the General Section of this catalog for the policy statement on academic dishonesty.*

## College Level Examination Program (CLEP)

The College of Languages, Literature, and Social Sciences will accept a maximum of 21 semester hours of CLEP through successful completion of the four general examinations. Additional credit may be earned through satisfactory scores on individual subject examinations. Required minimum scores and credits awarded are as follows:

Refer to the University of Toledo Office of the Registrar webpage at [http://www.utoledo.edu/offices/registrar/student\\_records/advan\\_credits.html](http://www.utoledo.edu/offices/registrar/student_records/advan_credits.html) for specific information on minimum scores and credits awarded for Advanced Placement examinations administered by the College Board Advanced Placement Program.

### **Pass/No Credit Option**

Refer to the General Section of this catalog for an explanation of the pass/no credit grading option. Refer to programs of study in the College of Languages, Literature, and Social Sciences section of this catalog for the limitations on pass/no credit grading in effect for different majors. Undecided students, as a general rule, should not elect pass/no credit grading in major-level courses.

### **Graduation Evaluation Requirements**

Two or three semesters before a student intends to graduate, the student and the student's major Adviser should complete a Graduation Quick Check. This process is initiated by the student. Students with more than one major or one or more minors should be evaluated for the completion of each major and minor. Detailed instructions on planning for graduation and ensuring the completion of requirements are available on the college services website.

### **Field Experience/Internship**

Policies and procedures for incorporating field experiences or internships in academic programs vary from major to major. Some majors require a field experience or internship; for other majors, they are optional. Students should seek information from their major departments and obtain advance approval for all field experiences or internships.

## **Degree Requirements**

### **A. Grade Point Averages**

A cumulative grade point average (GPA) reflects all grades earned, including grades of F and grades in repeated courses. Candidates must earn a minimum overall cumulative GPA of C (that is, a 2.0 GPA on a 4.0 scale) for all UT course work. In addition, candidates must earn a minimum cumulative GPA of C in the major, minor (optional) and UT general education competency and distributive requirements with the grades of all courses attempted at all institutions included in the GPA calculation. Some programs require a higher GPA in the major. *Refer to the General Section of this catalog for information on grade deletions and academic forgiveness.*

### **B. Residency Requirement**

Students transferring from other institutions must earn at least 30 hours of credit at The University of Toledo; at least 12 of these must be in the major area, and for students pursuing a minor, at least 9 hours must be earned at The University of Toledo. Full-time students must take their last semester, and part-time students their last 12 hours, in residence, unless alternative arrangements have been made in advance with the Dean of the College of Languages, Literature, and Social Sciences.

### **C. Credit Hours and Levels**

1. Students must complete a minimum of 124 hours of course work that must include the University and college general education competency and distributive requirements, and either an area of concentration (major) and course work related to the major, or an interdisciplinary program.
2. In all baccalaureate programs, a minimum of 64 hours must be taken at the 2000 to 4000 levels; of these a minimum of 32 hours must be taken at the 3000 to 4000 levels. (Courses transferred from community, junior or technical colleges offering Associate degrees will count at the levels of their UT equivalents.)
3. Students are cautioned to make use of their degree audit and review remaining requirements with their Adviser before every registration in order to make progress toward completion of their requirements in an orderly, timely manner.
4. Insofar as a student can complete the basic courses and the courses required for a chosen major (as outlined in sections E - K below) in fewer than the 124 hours required for a degree, the student must choose elective courses to complete the total of 124 hours, subject to the restrictions outlined below.

### **D. Credit Restrictions**

Total earned hours shown on a student's transcript may not all be applicable to the minimum 124 credits required for a degree, as follows:

1. Students with entrance deficiencies in mathematics and other students who are required or choose to take developmental course work will need to complete additional hours.

2. No more than four hours of credit in performing ensembles (MUS 3010/3190) will apply toward the degree.
3. No courses in typing, shorthand or keyboarding will apply toward the degree.
4. No more than two hours in skill courses in physical education or recreation courses at the 1000 level will apply toward the degree.
5. No more than two hours in Student Leadership Development I and II will apply toward the degree.
6. Restriction on technical electives – no more than 15 hours of credit earned in colleges other than the College of Languages, Literature, and Social Sciences, either at The University of Toledo or elsewhere, will apply toward the degree. Exceptions to this restriction include courses approved for UT General Education requirements and courses which are required or approved by departments to satisfy related requirements. In addition, College of Languages, Literature, and Social Sciences students participating in the Law School Three plus Three program will be permitted to apply Law School credits earned to their degree, and those taking a business minor will be permitted to take 21 hours of business courses. However, no additional technical electives beyond these 21 hours will apply to the degree.
7. Duplicate credit – except for courses identified as repeatable courses, students will not receive credit for repeated courses (taking the same course twice), whether taken at The University of Toledo or elsewhere.
8. The college reserves the right to deny credit for other specific courses (including most SKLS and some AL courses) and for blanket technical credit not applicable to a student's specific program.

#### **E. University General Education Competency and Distributive Requirements**

Students earning baccalaureates in all colleges and programs are required to complete between 27 and 30 credit hours of courses that comprise the general education competency and distributive requirements. Those courses are distributed in the areas of English composition, humanities/fine arts, social sciences, natural sciences and mathematics, and multicultural studies (see the General Section of this catalog for details). Some colleges and programs require courses in these areas above those required to fulfill University Core requirements. Students should contact their academic department or college office for specific details.

#### **F. Orientation (LS 1000) – 1 hour**

All new first-year students are required to take LS1000 Orientation. The course is optional for transfer students.

## G. Languages, Literature, and Social Sciences Skill Areas Requirements

1. **English Composition** (University of Toledo core and College of Languages, Literature, and Social Sciences requirement) – 6 hours. Students must pass Composition I and Composition II with a grade of C or better.

a. Native speakers track (for students for whom English is a first language).

**ENGL 1110 – 3 hours**

College Composition I: Students may complete this course either in a traditional class setting or in the Writing Studio. See class description.

**ENGL 1130 (or 1140 or 1150) – 3 hours**

College Composition II

b. Nonnative speakers track (for students for whom English is a second language) Students will take an English placement test to determine appropriate level.

**ENGL 1020 – 3 hours**

Writing and Grammar for English as a Second Language

**ENGL 1110 – 3 hours**

Composition I Note: Non-native speakers of English should choose an ESL designated section of ENGL1110.

**ENGL 1130 (or 1140 or 1150) – 3 hours**

Composition II (A maximum of three hours of ENGL 1020 and ENGL 1120 will count toward the degree.)

### 2. Mathematics

Students are placed into mathematics courses by ACT scores or placement tests. **Mathematics 1180** (UT core and College of Languages, Literature, and Social Sciences requirement) – 3 hours (may replace with any mathematics course greater than MATH 1180, except MATH 2280).

3. **Foreign Languages** Students are placed into foreign language courses through placement testing. College of Languages, Literature, and Social Sciences requirement – 0 to 14 hours (foreign languages 1110, 1120, 1500, 2140, 2150). Every student is required to demonstrate proficiency in a single foreign language (Arabic, Chinese, French, German, Japanese, Latin or Spanish) through the intermediate (foreign languages 2150) level by successfully completing a foreign language course at this level or by achieving an appropriate score on a proficiency/placement test administered by the department of foreign languages that reflects the equivalent.

Students beginning a foreign language should enroll in their chosen language at the elementary 1110 level and take four semesters of foreign language. Those continuing a foreign language or attempting to demonstrate competency by examination should take a proficiency/placement test. Students with two or more years of French, German or Spanish in high school who place below an intermediate course may enroll in an intensive review course (foreign languages 1500) that covers the material in the first two semesters (foreign languages 1110 and 1120), and then complete the second-year courses (foreign languages 2140 and 2150).

## H. Languages, Literature, and Social Sciences Distributive Requirements

Students should consult with their Advisers in selecting courses that will meet distributive requirements. With their Adviser's approval, students may select higher-level courses for which they have the prerequisites. With careful planning, students will be able to satisfy UT Core Curriculum and College of Languages, Literature, and Social Sciences requirements by taking the minimum required hours. A student may take no more than two courses (or two courses and one lab for natural sciences) under each departmental code in satisfying the general education distributive requirements.

**I. Humanities and Fine Arts** UT general education competency and distributive requirement is two courses for six hours; College of Languages, Literature, and Social Sciences requires nine to 12 hours, depending on student's major. Students not majoring in the humanities or fine arts will take four courses (12 hours) in the humanities in addition to those taken to meet the English composition and foreign language requirements. Students majoring in the humanities or fine arts will be required to complete one history course, one literature course and one fine arts course. Students may select humanities courses that also will satisfy a UT general education distributive humanities or multicultural requirement.

**Required Courses** (for all majors) – 9 hours (see suggested courses listed below):

**English Literature** – 3 hours

**History** – 3 hours

**Fine Arts** – 3 hours (course must be an appreciation or theory course, not a studio or skills course)

**Electives** (for students not majoring in humanities or fine arts) – one course for 3 hours

Students may select courses from art, art history, communication, English, film, foreign languages (courses higher than 2150 or culture courses 1080 and 1090, or a second foreign language), history, humanities, music, philosophy, religious studies and theatre.

Among the courses with minimal or no prerequisites are the following: ARTH 1500; CLC 1010; COMM 1010, 2000; ENGL 2710, 2720, 2730, 2740 and 2760; FILM 1310; FREN 1080 and 1090; GERM 1080 and 1090; HIST 1000 through 1200; HUM 1010, 1200, 2220, 2010 and 2020; JAPN 1080 and 1090; MUS 2200, 2210, 2220, 2240, 2250 and 2420; PHIL 1010, 1020, 2200 and 2400; REL 1220 and 2000; SPAN 1080, 1090 and 1100; and THR 1010 and 1100. However, higher-level humanities courses will satisfy these requirements and may be taken if student has met the prerequisites.

**2. Natural Sciences** UT general education distributive requirement and the College of Languages, Literature, and Social Sciences requirement is two courses for a minimum of 6 hours and must include one laboratory course). Students must take two courses from two different departments.

Students may select courses from astronomy, biology, chemistry, geology, mathematics and physics. Among the courses with minimal or no prerequisites are as follows: ASTR 1010, 2010, 2020 and 2050; BIOL 1120, 1140, 1150, 1340, 2010 and 2020; CHEM 1100 and 1150; EEES 1010, 1020, 1030, 1050, 1130, 1140, 1150, 1160 and 1170; and PHYS 1050, 1300, 1310, 1320, 1330 and 1750. However, higher-level natural sciences courses will satisfy this requirement and may be taken if the student has met the prerequisites.

3. **Social Sciences** UT general education distributive requirement is two courses for six hours; the Languages, Literature, and Social Sciences requirement is three courses for nine hours.

Students majoring in a social science will need to take six hours from The University of Toledo general education competency social sciences requirements. Students not majoring in a social science will take nine hours of courses in social sciences. Students may select social science courses that also will meet a UT general education competency distributive social science requirement and one multicultural requirement.

Students may select courses from anthropology, economics, geography, political science, psychology, and sociology. Among the courses with minimal or no prerequisites are as follows: ANTH 1020, 2020, 2800, and 2900; ECON 1010, 1150 and 1200; GEPL 1010 and 1100; PSC 1200, 1300, 1400 and 1710; PSY 1010; and SOC 1010 and SOC 1750.

### **I. Writing Across the Curriculum**

Students must pass both Composition I and II with a C or better. The College of Languages, Literature, and Social Sciences recommends that these requirements be met before completing 45 hours of course work. Students in the Honors Program will complete HON 1010 and 1020 to meet the Composition I and II requirement.

After completing Composition I and II (or HON 1010 and HON 1020 for Honors Program students) with a C or better, students must pass two writing intensive courses approved by their Adviser. The College of Languages, Literature, and Social Sciences recommends that the first of these writing courses be completed within the first 65 hours of course work, and the second within the first 90 hours. One of these courses must be taken within the student's major. Students with dual majors must take a writing intensive course in each major. Students with interdisciplinary majors will meet this requirement by selecting courses in consultation with their Advisers, who will monitor students' progress to help them complete these requirements in a timely fashion.

Transfer students from institutions that have required writing intensive courses should have their former institution certify that they have completed writing intensive courses comparable to those required in the College of Languages, Literature, and Social Sciences. Transfer students who have not taken writing intensive courses must meet the College of Languages, Literature, and Social Sciences Writing Across the Curriculum requirements.

### **J. Major Area**

Every student must complete either a departmental major or an interdepartmental or interdisciplinary major. Courses given in other colleges of the University may be credited to the major only with the approval of the Dean of the College of Languages, Literature, and Social Sciences upon recommendation of the Department Chair. Waiver of a required course or the substitution of a course from another department does not necessarily reduce the minimum credits required in the major.

## 1. Departmental Major

**See the complete list of departmental majors under “Degrees Offered” in the College of Languages, Literature, and Social Sciences section of this catalog.**

The minimum number of semester hours a student must complete for a departmental major is prescribed by the department, but rarely exceeds 34 hours. The maximum number of hours a student may elect for the major within the total 124 hours for a Bachelor of Arts degree is 45 hours. A student may have two majors from two different departments, provided the requirements of both programs are satisfied. Work in the second major may be accepted as fulfilling the related course requirement upon the approval of the Advisers in both departments. A student cannot use courses from the first major to satisfy the second and vice-versa. See section on “Earning a Second Degree” for statement on requirements when two or more desired major programs are offered as different degrees.

## 2. Interdisciplinary Majors

A student may complete one of the interdisciplinary majors if accepted into that particular program. A student completing a departmental major and a second major in an interdisciplinary or interdepartmental major cannot use courses from the first major to satisfy the second or vice-versa. See the complete list of interdisciplinary majors under “Degrees Offered” in the College of Languages, Literature, and Social Sciences section of this catalog.

## 3. Interdepartmental Major

A student who chooses an interdepartmental major must complete at least 60 hours divided approximately equally among three related departments. These 60 hours are in lieu of the prescribed hours in a departmental major and the 18 hours in related courses (see K below).

The student must have at least a C average in all courses attempted in each of the three departments of the interdepartmental major. In planning a program, the student must consult with the interdepartmental Adviser of the college to select courses in each area that have the approval of the appropriate department Chair.

The three departments selected from the list of departmental majors (found under “Degrees Offered” in the College of Languages, Literature, and Social Sciences section of this catalog) are subject to the approval of the Dean and the department Chairs concerned. A student completing a departmental major and second major in an interdisciplinary or interdepartmental major cannot use courses from the first major to satisfy the second or vice-versa.

## K. Related Courses

Every student who chooses a departmental major and students in some interdisciplinary majors also must complete a minimum of 18 hours in courses related to the major. These 18 hours must be in addition to courses taken to fulfill the basic requirements listed above. Each department defines the areas from which courses may be chosen by its majors, and these listings are given in the later sections of this catalog under Programs of Study. Related courses must be chosen from courses acceptable for credit in a College of Languages, Literature, and Social Sciences major. Generally, these are upper-level courses.

Courses given in other colleges of the University may be credited to the major or to related courses only with the approval of the Dean of the College of Languages, Literature, and Social Sciences upon recommendation of the department Chair.

## L. Minors

Many College of Languages, Literature, and Social Sciences departments offer minors. Departmental requirements for particular minors are given in later sections of the catalog under Programs of Study. Students wishing to pursue minors should consult with their primary program Advisers and then with an Adviser in the Languages, Literature, and Social Sciences college office. Not all minors can be added to all degree programs. Courses selected for the minor must be chosen from courses acceptable for credit toward a major in that department. In meeting requirements for some majors, work in the minor may be accepted as fulfilling the 18 hours of related courses, but only with the approval of the student's major Adviser. Students completing a minor cannot use courses from their minor to satisfy requirements in the major. No more than six hours of courses taken for minor credit may be applied to the total College of Languages, Literature, and Social Sciences distributive requirements. A minimum GPA of 2.0 is required in the minor. Credit hours required for minor vary from 18 to 22 hours, depending on the minor. At least nine of those hours must be completed at The University of Toledo.

### Premedical, Predental and Preveterinary Program

Sharon L. Schnarre, Adviser

Students interested in professional medical, dental or veterinary careers may choose to apply for the premedical, predental and preveterinary programs. **Students choosing this option must also complete the requirements for a major in a specific discipline or in an interdisciplinary baccalaureate program.**

Because admission to a professional school is very competitive, students need to maintain high GPAs, both cumulative and in the sciences. The premedical/predental Adviser will continually monitor a student's academic performance and make recommendations as to whether this program should be continued. If at any time a student's GPA drops below a 3.0, the student will be dropped from the program, unless extenuating circumstances exist, in which case the student will be placed on a probationary status until the grades improve.

The premedical/predental Adviser will assist the student in determining the entrance requirements of the professional school being considered, since these requirements vary among schools. In general, these professional schools specify for entrance a core set of science courses that include one year (two semesters) each of biology, general chemistry, organic chemistry, physics and mathematics. Most schools recommend that candidates plan a broad course of study leading to either a B.A. or a B.S. degree in any discipline.

## Honors

Honors work in the College of Languages, Literature, and Social Sciences is available to academically talented students. The college Honors Program is offered as part of the Jesup Scott Honors College; departmental honors are offered by individual departments within the college.

### Languages, Literature, and Social Sciences Honors Program

#### Student Selection and Admission

Admission to the Honors Program of the College of Languages, Literature, and Social Sciences is competitive and limited to academically talented students. Students entering directly from high school are admitted based on a review of application materials, which include a high school transcript, references, an essay, an extracurricular resume, and ACT or SAT scores. Students with an ACT composite score of 28 or higher (SAT composite of 1240 or higher) and a high school GPA of 3.75 or higher are encouraged to apply. Highly motivated students with an ACT composite of at least 25 (SAT composite of at least 1140) and a minimum high school GPA of 3.5 also are considered for admission to the program.

Currently enrolled University of Toledo students and transfer students may apply for admission to the College Honors Program if they have completed at least 15, but not more than 60, graded semester hours of college work, and earned a minimum GPA of 3.3 (4.0 scale).

Students are admitted to the College Honors program on a space-available basis.

#### Program Requirements

In order to graduate with College of Languages, Literature, and Social Sciences Honors, a student must:

- Complete all requirements for an approved degree program within the college.
- Complete a minimum of 33 semester hours of honors courses, which must include:
  - a. Six semester hours of HON 1010 and HON 1020 (Ideas, Innovation, and Society I and II).
  - b. A minimum of three semester hours selected from HON 2020 (Multicultural Literatures: The North American Experience) or HON 2030 (Multicultural Literatures: The Non-European World).
  - c. A minimum of six semester hours earned by successful completion of two upper-division interdisciplinary seminars offered through the Honors program (HON 4950 and 4960).
  - d. All of the requirements for departmental honors in the student's major. This includes the completion of an honors thesis or project supervised by a faculty member in the major department. Note: For a student pursuing more than one major or an interdepartmental major, the departmental honors requirement may be fulfilled through meeting requirements for one of the student's majors or in an interdisciplinary manner through a program of selected upper-division course work
- Earn a minimum overall GPA of 3.3.

## Retention Standards

To remain in good standing in the college Honors Program, a student must:

- Earn a minimum overall GPA of 3.0 by the end of the first year (typically at least 30 semester hours); 3.1 by the end of the second year (typically at least 60 semester hours); and 3.2 by the end of the third year (typically at least 90 semester hours).
- Make satisfactory progress toward fulfillment of the requirements for a degree with honors in the college.

## Honors Courses (HON)

Honors courses are of two kinds – those offered by the Jesup Scott Honors College and those offered by various departments and colleges. Consult the appropriate portion of this catalog for a listing.

## Departmental Honors

Requirements for departmental honors designations are set by the various College of Languages, Literature, and Social Sciences departments and are described under the departmental entries in this catalog. All departments, however, require successful completion of an honors thesis or project supervised by a faculty member in that department.

It is possible for a student to fulfill all departmental requirements and earn the departmental honors citation upon graduation without participating in the college Honors Program as part of the University Honors Program. The reverse is not possible, however, as the requirements for departmental honors are an integral part of the college Honors Program. Students with two majors may earn departmental honors in one or both areas of study. They also may pursue an interdisciplinary honors Thesis; permission of department or program honors Advisers is required.

# American Studies Program

## Interdisciplinary Major

Elliot Adams, Director and Adviser

**Degrees Offered:** American studies offers a program for a bachelor of arts.

## Requirements for the Undergraduate Major

A major in American Studies consists of a minimum of 33-36 hours of coursework selected from two or three Languages, Literature, and Social Sciences departments in consultation with the American Studies director: 15-18 required hours of American Studies, which includes 10 credits for designing and writing an extended research paper on some aspect of American culture, and an additional 18 elective hours, at least 15 of which must be at the 3000/4000 level.

The Program in American Studies provides students with a broad understanding and appreciation of American life and culture(s). It is an interdisciplinary major in which work is done independently with a faculty adviser shaping a curriculum to suit a student's individual interests and goals. Majors are exposed to various methodologies they learn how historians, geographers, philosophers, literary critics, writers, film makers, social scientists, and artists practice their disciplines. They also have the opportunity to work closely with a faculty adviser in researching and writing a senior thesis. The major is for students who want a multifaceted college experience rather than the traditional single focus of one academic department. Some typical areas of emphasis for American Studies are:

**Culture and Community**-This emphasis is for students whose interests lie in the study of subcultures within American society. Options include occupational, regional, religious, gender, or age groups and the disciplinary orientations might include geography, folklore, women's studies, and/or cultural anthropology.

**Society and Social Institutions** -Students choosing this emphasis draw their methodology and content from sociology, political science, history, and philosophy and look at the larger social and political forces at work at the macro level of American society.

**Artists' Expressive Culture** -This emphasis focuses on American art, music, dance, literature, and film as revelatory of national and regional culture and/or subcultures.

## Honors in American Studies

Qualified students are invited to pursue Honors in American Studies and thereby earn the degree designation of "Program Honors" upon graduation. Formal application for Program Honors must be made to the Director of the Program; normally, a petition for honors admission should be made near the end of the sophomore year. Students do not have to be enrolled in the College Honors program to pursue departmental Honors. In order to earn Program Honors, the student must have:

1. A minimum American Studies GPA of 3.4 and a minimum cumulative GPA of 3.0.
2. Junior or Senior standing.
3. Received honors recognition in two American Studies courses. Honors recognition courses are regularly scheduled 3000 to 4000 level courses in which special recognition is achieved by reading, research, and writing in addition to the normal requirements of the course. These additional requirements will be outlined in a contract between the student and the faculty member teaching the course.
4. An interview with the Adviser.
5. Received an A on the senior thesis.

## Asian Studies Program

### Interdisciplinary Major

Gene Chang, Director and Adviser

**Degrees Offered:** Asian Studies offers a program for a bachelor of arts.

### Requirements for the Undergraduate Major

This program is designed to provide the student with a comprehensive and systematic training in Asian affairs for a liberal education and career preparation. Emphasis is placed on political science, economics, history, geography, etc. In addition to academic courses, activities in the Institute for Asian Studies conducted through the Center for International Studies and Programs include lectures, seminars, and study abroad programs in Asia as well as selected exchanges in the region.

In addition to the general education requirements of the University of Toledo and the College of Languages, Literature, and Social Sciences, students will take 30 hours in Asian Studies selected from (but not limited to) the list of courses below. Students must select courses from a minimum of three different departments; no more than 15 hours of course work from one department will count toward the Asian Studies major.

**Major Courses:** ASST 2100, 3010, 4910, 4920, 4980; ARTH 2100, 3250; ECON 3500; GEPL 3120; HIST 2700, 2710, 2720, 2730, 4720, 4740 and 4750; PHIL 3500 and 4500; PSC 2680, 4690, 4780 and 4900; REL 3510; Japanese and Chinese, all courses above the 2000 level.

With the approval of the adviser, a maximum of six elective hours may be chosen from independent study courses offered by various departments (other than ASST 4910 and 4920). This general distributive pattern is designed to encourage the student to examine the various aspects of Asian Studies. Asian Studies majors are encouraged to take Japanese, (or Chinese or other Asian languages, if offered) for their foreign language requirement.

In addition to the 30 hours in the major, students are required to take 18 hours in related courses in humanities, social sciences, natural sciences, business, law and other areas chosen in consultation with the adviser. Under special circumstances, certain courses in other colleges may be used to satisfy the related requirement.

### **Honors in Disability Studies**

Qualified juniors and seniors are invited to work for the citation “honors in Disability Studies.”

A. Admission: The Honors Program is open to all undergraduate Disability Studies majors whether or not they are enrolled in College Honors. Students who have shown superior ability in their freshman and sophomore years and who show promise of continuing good performance in the major should apply to the Disability Studies Program for enrollment in the DST Honors Program. Ordinarily, the student must have a minimum cumulative GPA of 3.0.

B. Requirements: To be awarded honors in Disability Studies, the student must complete a senior thesis and must take nine of the 33-hour major requirements in the honors and honors recognition courses offered by the department. Every regularly scheduled 3000- or 4000-level course can be given honors recognition by assigning readings and research in addition to the normal requirements of the course. To remain in the program, the student ordinarily must maintain a minimum GPA of 3.3 in the major.

## Department of Economics

Michael Dowd, Chair

Kristen Keith, Adviser

**Degrees Offered:** Economics offers a program for a bachelor of arts.

### Requirements for the Undergraduate Major

The requirement of 30 hours in economics must include, from among the following, 15 hours of core courses and 15 hours of electives including at least one WAC course in Economics.

Economics majors are required to take the following courses:

ECON 1150: Principles of Macroeconomics

ECON 1200: Principles of Microeconomics

ECON 2810: Introduction to Econometrics

ECON 3150: Intermediate Macroeconomic Theory

ECON 3200: Intermediate Microeconomic Theory

**Economics electives:** 15 hours, chosen in consultation with the Economics Adviser

**Related courses** required for an economics major: Majors are encouraged to meet the mathematics and statistics requirements at an early stage of their course work.

Students must meet those requirements by choosing one calculus and one statistics course from the following:

MATH 1850: Calculus I

or

MATH 1730: Calculus with Applications to Business and Finance or equivalent

MATH 2600: Introduction to Statistics

or

MATH 2600: Introduction to Statistics

or

BUAD 2060: Data Analysis for Business or equivalent

In the major area, 21 hours are to be taken under the regular grading system; the P/NC option is available for the remaining 9 hours and for all related courses.

## **Optional Concentration in Environmental Economics**

To earn the concentration in environmental economics, students must complete four of these elective courses as part of their major

ECON 3240: Environmental Economics OR ECON 3270: Natural Resource Economics.

ECON 3300: Cost-Benefit Analysis (WAC)

ECON 4/5240: Applied Environmental OR alternative economics course at 3000 level or above chosen in consultation with the undergraduate economics adviser.

ECON 4/5660: Public Finance Economics OR alternative economics course at 3000 level or above chosen in consultation with the undergraduate economics adviser.

The department will award credit after reviewing the advanced placement tests. Students with a score of 3, 4, or 5 will receive credit for ECON 1150 if the macroeconomics portion of the test was taken and ECON 1200 if the microeconomics portion of the test was taken.

## **Undergraduate Research**

The department of economics offers students the opportunity to gain research experience under faculty guidance. Research topics can be theoretical analysis, empirical analysis or both. Further options regarding the level of research are available, as the department offers junior- and senior-level courses – ECON 3900, 3910, 4910 and 4920. A student interested in conducting research needs to register for one of those four courses with the consent of a faculty member who agrees to direct the student's research. Students may enroll in these courses more than once. If they do, however, they are encouraged to work with different faculty members to obtain more diverse research experiences.

## **Requirements for a Minor in Economics**

Students electing to minor in economics must complete a minimum of 18 hours of course work. The 9 hours of required course work listed below for a minor in economics provide the theoretical and quantitative skills essential for a fundamental understanding of the discipline of economics and a rigorous background for an in-depth appreciation of upper division courses. Each program of study for a minor must receive the prior approval of the departmental Adviser. A minimum GPA of 2.0 must be achieved in courses within the minor.

### **Courses required for a minor in economics:**

ECON 1150: Principles of Macroeconomics

ECON 1200: Principles of Microeconomics

One of ECON 3150: Intermediate Macroeconomic Theory or

ECON 3200: Intermediate Microeconomic Theory

or another macro or micro course chosen with the consent of the undergraduate Adviser

## Minor Electives

Additional nine hours from course work in economics at the 3000 to 4000 levels, chosen in consultation with the undergraduate advisor. No more than three hours of ECON 4910 or 4920 may be included in the nine hours of additional course work.

## Honors in Economics

Qualified juniors and seniors are invited to work for the citation “honors in economics.”

**A. Admission:** The Honors Program is open to all undergraduate economics majors whether or not they are enrolled in College Honors. Students who have shown superior ability in their freshman and sophomore years and who show promise of continuing good performance in the major should apply to the department for enrollment in the departmental Honors Program. Ordinarily, the student must have a minimum cumulative GPA of 3.0.

**B. Requirements:** To be awarded departmental honors in economics, the student must complete a senior thesis and must take nine of the 30-hour major requirements in the honors and honors recognition courses offered by the department. Every regularly scheduled 3000 or 4000-level course can be given honors recognition by assigning readings and research in addition to the normal requirements of the course. To remain in the program, the student ordinarily must maintain a minimum GPA of 3.3 in the major.

## Early Admission to Master’s Degree Program in Economics

A special opportunity exists for undergraduate students at the University of Toledo interested in pursuing a Master’s of Arts Degree in Economics. Being evaluated by the same criteria as graduate students, undergraduate students have the opportunity to apply advanced-level work to their undergraduate degree requirements while, at the same time, securing a significant “head start” toward satisfying the requirements for a master’s degree in Economics. Qualifying undergraduate students are allowed to apply particular courses (and associated credit hours) towards both their undergraduate and graduate degree requirements.

If accepted into this program, undergraduate students may register for up to 3 graduate-level Economics courses (9 credit hours). Because the M.A. degree in Economics requires 30 credit hours of graduate-level work, students who complete 9 of those hours as an undergraduate student have to complete only 21 additional credit hours as a graduate student to receive their master’s degree.

Undergraduate students with a declared major in Economics and a cumulative GPA in Economics courses of 3.3 or higher are eligible for this program. Students accepted into this program must consult and receive prior approval from the Department of Economics’ graduate director as to which courses at the University of Toledo may be applied for dual credit toward both undergraduate and graduate degree requirements. Students interested in this program are encouraged to speak with the Department of Economics’ Chair, graduate director, or undergraduate advisor for additional information and the application form for this program.

The required 18 hours of related course work should be chosen according to the student's interests and objectives. Selections should be made from 2000-level and higher courses in any other social science (anthropology, economics, geography, psychology and sociology), or in history, philosophy, Law and Social Thought, or Women's and Gender Studies in consultation with an adviser. Selected courses offered by the Department of Communication or in the College of Business Administration also may be chosen with the permission of an adviser. Completion of a minor or of a second major in any department of the university also will be accepted as completion of the Department's related requirement.

### **Concentration in Legal Studies**

This program is designed to allow students to focus their studies on law, legal processes, and legal institutions for careers in the legal profession, for leadership in public affairs, as well as for an interesting major. This solid liberal arts specialization provides excellent preparation for law school and a subsequent career as a lawyer or judge.

The concentration requires the completion of 33 hours in political science, as well as the related course work and other requirements that are normal in the College of Languages, Literature, and Social Sciences.

The foundation for this specialization is a B.A. in Political Science, within which the student must have

included the following two courses:

PSC 1200, American National Government, 3 hours

PSC 3500, Principles of Law

In addition to this 6-credit core, students must take at least four courses from the department's specialized law and legal studies course offerings:

PSC 3510, Constitutional Law and Politics I, 3 hours

PSC 3520, Constitutional Law and Politics II, 3 hours

PSC 4550, Contemporary Issues in Law and Politics, 3 hours

PSC 4580, International Law, 3 hours

Nine of the remaining 15 hours required for a degree in political science must be earned by completing one course from within three of the “gateway” fields of the discipline: Comparative Government

PSC 2600, Principles of Comparative Politics

International Relations

PSC 2700, Principles of International Relations, 3 hours

Political Theory

PSC 2800, Principles of Political Theory, 3 hours

While only two additional electives within political science are required for the Legal Studies specialization, students may elect to complete additional classes in the discipline.

Students in the Legal Studies specialization must also complete the College of Languages, Literature, and Social Sciences related course requirements. This consists of 18 hours of upper level (2000 and above) courses in fields related to legal studies (for example, Law and Society, Criminology, Psychology and the Law, Philosophy of Law, Business Law, etc.) selected in consultation with an adviser.

### **Honors in Political Science**

Departmental Honors prepares majors for post-graduate study, for law school, for advanced work in policy research, and for other professional pursuits. It emphasizes intellectual organization and concept formation through the processes of research and writing. Honors work fosters intellectual growth through independent study, involves students in research, prepares students for the intellectual rigor of graduate study, and makes students more competitive for the best employment opportunities upon graduation.

These are the skills you will need in many professional positions—whether in governmental service, non-profit organizations, or the private sector. Departmental Honors offers the opportunity to specialize in one of the sub-disciplines of Political Science and to work closely with faculty in the Student’s areas of interest.

If you aspire to do the kind of work required for Departmental Honors, we encourage you to contact the Honors Adviser (Dr. Heberle). Judge for yourself whether this individualized, intensive program is right for you.

Departmental Honors work is distinct from the University Honors Program, but works closely with it. You must have an overall UT GPA of at least 3.0 and a GPA of 3.3 or higher in the major and be in your third year of study to sign up for honors work. You must also complete PSC 4960 Senior Honors Thesis.

### **Minor in Political Science**

Students seeking a minor in political science must complete at least 21 hours of course work at the 2000 level or above in the discipline, chosen in consultation with a departmental adviser. It is recommended that minors include in their undergraduate program the introductory course in American Government (PSC 1200) and three of the four gateway subfields. At least 9 of the 21-credit hour minimum must be at the 3000-4000 levels.

### **Minor in Public Administration** (not currently accepting new students)

The minor in public administration is comprised of 21 hours of course work. The minor is not available to undergraduate political science majors; political science majors with an interest in public administration should pursue the specialization in public administration. ### **Pre-Law**

Sam Nelson, Adviser

Unlike some pre-professional programs, there is no fixed pre-law curriculum. Critical reading, writing and speaking dominate legal practice and legal education; thus, the central theme of any pre-law course of study should be the development of these skills in the context of areas of substantive interest to the student. Clearly, a course of study designated “pre-law” may extend across a broad range of different disciplines and interests and contain a wide variety of courses. Each student's course of study will be different and should reflect, in consultation with advisors, the specific interests of the student and attention to the development of the critical and analytical skills necessary for success in law school and the legal profession.

## **WGST and Pre-Med**

Students interested in the Pre-Med program may major in WGST. The Pre-Med program is a career track, not an official academic major. All students enrolled in the pre-med program must also choose a major. In the past few years, an increasing number of students interested in health-related careers have chosen WGST as their major. Students with a particular interest in women's health and topics related to gender and healthcare may take the following: WGST 4810 Women's Health Care, WGST 4160 Health and Gender, and WGST 3980 Women and Disability in partial fulfillment of the Women's and Gender Studies major electives. In addition, WGST students pursuing the Pre-Med option will be assigned a mentor, from the medical profession, to provide guidance and advice as they develop their career goals. Students who would like to pursue the WGST and Pre-Med option should speak with the department adviser and the Pre-Med adviser.

## **WGST and Pre-Law**

Students interested in pursuing law school may major in WGST. Pre-Law is not a specific major at the University of Toledo. Students who would like to prepare them-selves for law school may choose any academic major. According to the American Bar Association students interested in attending law school should prepare themselves by gaining the following skills: Analytic / Problem Solving Skills, Critical Reading and Writing Skills, Oral Communication / Listening Abilities, General Research Skills, Task Organization / Management Skills. The WGST degree provides students with the opportunity to gain all of the skills recommended for the successful pursuit of a career in law. In addition, undergraduates in Women's and Gender Studies who wish to study legal ideas, institutions, and procedures from the perspective of gender may pursue a concentration in Law and Social Thought by taking the following: LST 2010, 2500 (2 hours), and 4900 in partial fulfillment of the women's and gender studies major electives, and LST 4940 (3 to 6 hours) to satisfy the women's and gender studies internship requirement. Students should meet with the department adviser to discuss their specific academic plan.

## **Concentrations:**

WGST has formal concentrations in Sexuality Studies and Law and Social Thought. Please speak to the department adviser for more information on these programs.

## **Honors in Women's and Gender Studies**

A student majoring in Women's and Gender Studies who is seeking departmental honors should make formal application near the end of the junior year. The following requirements must be met in order to earn the departmental honors designation at the time of graduation: 1) minimum cumulative GPA of 3.3 overall and 3.5 in WGST courses, 2) Two WGST 3000-4000-level elective courses and 3) WGST 4910 Thesis for three hours, an honors thesis, or a paper from a 4000-level class submitted for review by the department honors committee.
