Federal Direct Parent PLUS Loan Application Instructions and Information

The Parent PLUS Loan is a loan for the biological parent, custodial stepparent (if information was reported on the FAFSA), or adoptive parent of a dependent undergraduate student. A parent can borrow the total estimated cost of attendance less the student's total financial aid. If more than one parent wishes to borrow a Parent PLUS Loan for the same student, each parent must complete a separate 2023-24 Federal Direct Parent PLUS Loan Application and Master Promissory Note (MPN).

Three Simple Steps to Process a Parent PLUS Loan

Step 1: File a 2023-2024 FAFSA

If you have not already done so, you can apply on-line at <https://studentaid.gov>. The 2023-24 Federal Direct Parent PLUS Loan Application cannot be processed without a completed FAFSA on file.

Step 2: Complete and return a 2023-24 Federal Direct Parent PLUS Loan Application

Complete and return this form to the Office of Student Financial Aid (OSFA). Be sure to print clearly and answer all of the questions. An incomplete application could delay processing.

Step 3: Complete a Master Promissory Note (MPN)

Parent borrowers may complete the Parent PLUS Loan MPN on-line at: <https://studentaid.gov>. An FSA ID is required to complete this process electronically.

Interest Rate

The Parent PLUS Loan interest rate is currently fixed at 7.54%. Interest begins to accrue at the time of each loan disbursement. Access <https://studentaid.gov> for the most current rates.

Loan Fee

A loan origination fee is charged by the U.S. Department of Education for processing the Parent PLUS Loan. This fee is deducted proportionately from each disbursement of the loan. Access <https://studentaid.ed.gov> for the most current fees.

Credit Check

In order to borrow a Parent PLUS Loan, you must pass a credit check. After we receive the signed loan application, the Common Origination and Disbursement Center (COD) will perform a credit check and notify you of the results by mail. The OSFA will receive an electronic notification of the credit check results. If you have questions about the outcome of the credit check, contact the COD at 1.800.557.7394.

Denied Credit Check

If you do not pass the credit check, there are three options available to you.

1. Contact the COD at 1.800.557.7394 if you believe there was an error made on the credit check.
2. You can obtain a creditworthy endorser. The endorser would need to pass the credit check, agree to endorse the MPN, and agree to repay the loan if you would fail to do so. Information about how to proceed with this option will be included in your letter from the COD.
3. The student can decline the Parent PLUS Loan (only if the parent did not pass the credit check) and request that the OSFA process a Direct Unsubsidized Stafford Loan in the student's name. Freshmen and sophomores (0-59 earned credit hours) can borrow up to \$4000 and juniors and seniors (60 or more credit hours) can borrow up to \$5000 for the school year. The student may request this loan by contacting the OSFA by phone or by completing a 2023-24 Loan Change Form. For more information on the Direct Unsubsidized Stafford Loan, visit our website at <http://www.utoledo.edu/financialaid/>.

Disbursements

A positive credit check and completed MPN must be received before any funds can be disbursed to the student's account. Loan disbursements are applied to charges on the student's account before a loan in the student's name is applied. Any refunds resulting from the Parent PLUS Loan will be mailed to the parent address listed on the 2023-24 Federal Direct Parent PLUS Loan Application.

Repayments

The repayment period for a Parent PLUS Loan begins when the loan is fully disbursed; the first payment is due 60 days after the final disbursement. However, for Parent PLUS Loans with a first disbursement date on or after July 1, 2008, you may defer repayment:

- while the student on whose behalf you borrowed the loan is enrolled at least half-time, and
- for an additional six months after the student ceases to be enrolled at least half-time.

Once you enter repayment, you may choose a Standard, Extended, or Graduated Repayment Plan. Information about these specific payment plans will be sent to you by your Direct Loan Servicer. If you are experiencing difficulty making your scheduled payments, you should contact your assigned Direct Loan Servicer.

Student Eligibility

Before any Parent PLUS Loan proceeds can be disbursed, the student must be:

- Enrolled at least half-time (6 credit hours)
- Enrolled in a degree-seeking program
- Maintaining satisfactory academic progress
