COLLEGE OF GRADUATE STUDIES

THE UNIVERSITY OF TOLEDO

Acceptance of Thesis or Dissertation for Defense

Instructions: Students with a thesis or dissertation requirement must obtain the signature of their Advisor/Committee Chair for approval to present/defend their paper. The form must contain the date, time, building and room number of your scheduled defense. The Associate Dean of your college must sign to grant the College of Graduate Studies permission to publicize the defense on their website. The form can be filled out and signed electronically and forwarded to each signatory for their signature for delivery to the email address above, or you may print it out, obtain the signatures, and submit it hard copy. This form is due in the Graduate Studies office no later than fifteen (15) business days prior to your scheduled defense. Forms received less than fifteen (15) business days prior to the defense date will not have the defense information included on the College of Graduate Studies website. If the defense will include any proprietary or potentially patentable subject matter, it should not be open to the public and should not be advertised as such. This form must accompany the *Intellectual Protection and Patent Sign-off* form.
