## SECTION OF LABOR AND EMPLOYMENT LAW STUDENT WRITING COMPETITION

### Description

The Ohio State Bar Association Section on Labor and Employment Law is pleased to announce its 2018 Student Writing Competition. The Competition was created to encourage relevant innovative scholarly works in the area of Labor and Employment, and to attract Ohio law students to the labor and employment law practice fields. A judging committee comprised of distinguished practicing attorneys and faculty members at Ohio ABA-accredited law schools will review the submissions and award first, second, and third-place cash prizes to the winning student-authors. The cash prizes for such competition have been established as follows: First Place: \$3,000; Second Place: \$2,000; and Third Place: \$1,000. Funding for the Competition is sponsored by the Ohio State Bar Association Section on Labor and Employment Law—an energized community of over 1,300 lawyers representing employees, labor unions, and employers in Ohio.

Please share this opportunity with students who may be interested in participating. All students at ABA-accredited law schools in Ohio are invited to submit entries, pursuant to the rules of the Competition detailed below. For all purposes of this Competition, Northern Kentucky University (NKU)-Chase is considered an Ohio law school.

### Rules

1. This Competition will be administered by a Committee of at least five persons, each of whom will be either a faculty member at an Ohio law school or a member of the Ohio State Bar Association Section on Labor and Employment Law. Each student entry will be read by at least two Committee members.

2. Judges will pay specific attention to these questions:

- Is the analysis original, novel, fresh, and/or innovative?
- Is the topic original and not simply descriptive – i.e., does the author handle the topic with originality and not simply describe a court decision or other legal development?
- Is the paper well written, with strong footnoting following the Bluebook and providing insightful information?
- How well is the author's position argued and supported?
- What is the quality of the author's legal analysis?

3. Entries also will be evaluated on grammar, spelling, usage and syntax, clarity, structure, overall appearance, strength of writing, and strength of consideration of competing viewpoints.
