COLLEGE CREDIT PLUS
AT THE UNIVERSITY OF TOLEDO

INNOVATIVE TECHNOLOGY, EXPERT FACULTY
AND MORE COURSE OPTIONS FOR DUAL CREDIT STUDENTS
THE UNIVERSITY OF TOLEDO
COLLEGE CREDIT PLUS PROGRAM

The College Credit Plus program offers highly motivated students the opportunity to earn college credit prior to graduating from high school at no cost to the students or their families.

Students can take part in the college experience in the classroom or online, interacting with full-time college students and University faculty.

A LEADER IN HIGHER EDUCATION AND EXPERIENTIAL LEARNING

The University of Toledo has been a leader in higher education since 1872, and we bring unparalleled faculty expertise and state-of-the-art classroom and online instruction to students seeking a college education.

PREPARING TODAY’S STUDENTS TO BECOME TOMORROW’S LEADERS

IT IS OUR GOAL TO:

• Prepare students for the transition to college through instruction, experience and support
• Use course delivery methods that are effective and efficient to engage students’ minds and maximize learning
• Create virtual classrooms filled with students from around the state to enhance the learning experience
• Make it easy to earn credits towards a bachelor’s degree saving students and families both time and money while allowing students to graduate and enter the job market before their peers
• Make the college experience enjoyable and successful

BENEFITS OF UT’S COLLEGE CREDIT PLUS PROGRAM

• Each UT student is assigned a Success Coach who is their single point of contact and will help the student transition to college life, assist with selection of courses and registration, and be there as a resource to answer questions and resolve issues no matter how small or big they are.
• There is no charge to the student for the course or instructional materials.
• College Credit Plus courses transfer as college credit on a 4.0 grade scale and count toward a bachelor’s degree and can be recorded on the student’s current school transcript on an AP or honors weighted grade scale.
• All courses are taken with UT undergraduate students.
• Courses integrate virtual labs, simulation center visits and other special resources only UT can offer.
SEVERAL WAYS TO LEARN AND SEVERAL WAYS EARN COLLEGE CREDIT

CHOOSE THE METHOD THAT SUITS YOU AND YOUR SCHEDULE BEST

UT offers several modality options in a number of general education courses that are Ohio Transfer Module (OTM) compliant. However, our entire University course catalog is available to students in the In-person, on-campus modality if published prerequisites are met. Some of these are also online.

100 PERCENT ONLINE: Many courses are available online in a synchronous or asynchronous method.

ASYNCHRONOUS: The most convenient since you participate anytime in anyplace. All work is in an online environment; there is no in-person classroom time. Students complete most of their course content and assignments on their own time. This method allows the most flexibility for challenging schedules.

SYNCHRONOUS: These class meetings will meet live online for one hour at a specific time on a specific day each week. The balance of the course consists of online activities that will include videos and reading assignments, threaded discussions, written assignments and group projects. This modality provides live interaction with the convenience of online.

IN-PERSON, ON-CAMPUS: Students attend classes on UT’s campus with other UT students taught by UT faculty. Another option available in high schools are classes taught at the high school by certified and UT approved high school teachers. Students participate in lectures, class discussions, assignments and tests in the classroom and never have to leave their high school campus.

BLENDED: Also known as a flipped classroom — students complete much of their reading and learning using online technology, such as watching videos and posting on the class message board. There is a set time to meet in-person on campus, which is focused on discussions and group projects.

CCP AT UT MEANS YOU RECEIVE MOST OF THE BENEFITS AS A FULL-TIME UT STUDENT

A Rocket ID card will give students free admission to UT home athletic events and discounted prices for family members. It also gives students access to the Student Recreation Center and discounts from local businesses.

Students can access UT’s Learning Enhancement and Writing Centers for academic coaching and writing assistance, as well as the Counseling Center, Career Services, the complete UT library network…and much, much more.
THE UNIVERSITY OF TOLEDO

UT was established in 1872 and is accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools. UT is a diverse, student-centered public metropolitan research university and is one of just 20 public institutions nationally with comprehensive offerings at the undergraduate and graduate levels. Degree offerings include communication and the arts; business; education; engineering; language, literature and social sciences; health sciences; law; medicine; natural sciences and mathematics; nursing; pharmacy and pharmaceutical sciences; social justice and human service; and more.

The University is home to more than 20,000 students and is a NCAA Division I school and member of the Mid-American Conference. UT has been recognized as having one of the most beautiful campuses in the country.

BE HONORED FOR YOUR HARD WORK

Upon graduation from high school consider applying for UT’s Jesup Scott Honors College, one of the oldest honors programs at a state university in the country and a pioneer in experiential learning. This includes internships, co-ops, research, service learning, study abroad and more. Honors students also are eligible for accelerated three-year degree programs, preferred admission to advanced degree options and on-campus honors housing. Learn more by visiting utoledo.edu/honors

NEXT STEPS

If you are interested in pursuing postsecondary education in the UT College Credit Plus program, you should meet with your high school counselor to discuss your options and then begin the application process. To apply visit our CCP website at utoledo.edu/admission/dualcredit or contact us at 419.530.4200 or via email at dualcredit@utoledo.edu. If you’d like more information on UT, visit utoledo.edu and while you’re there, schedule a campus tour by clicking on the “Visit Campus” link to choose a day and time convenient for you.
