PRESENTATIONS AT REGIONAL MEETINGS:

McSweeney, A.J. "Assessment of Civil Capacity: A Neuropsychologist's Perspective." Presentation at the 15th Annual Geriatric Medicine Symposium, Toledo, OH, March, 2010.

Gordon, N.S., Panksepp, J., Dennis, M., McSweeney, A.J. The Neural Basis of Joy and Sorrow: A Functional Magnetic Resonance Imaging Study of the Emotional Effects of Music, Laughter and Crying. Poster presented at the 10th Annual Research Symposium in Psychiatry, Psychology and Behavioral Science, Toledo, Ohio, April, 2003.

McSweeney, A.J. Definition of Quality of Life. Presented at the Seventh Annual Geriatric Medicine Symposium, Toledo, Ohio, February, 2003.

McSweeney, A.J. Cognition in Normal Aging. Presentation at the Seventh Annual Geriatric Medicine Symposium, Toledo, Ohio, February, 2003.

Goldshmidt, A., McSweeney, A.J., Dennis, M., and Ali, I. A Pilot Study of the Neural Substrates Involved in the Processing of External Versus Internally Generated Affective Stimuli as Revealed by Functional Magnetic Resonance Imaging (fMRI). Poster presented at the Eighth Annual Research Symposium in Psychiatry, Psychology and Behavioral Science, Toledo, Ohio, April, 2001.

McSweeney, A.J., Brittain, J., Francis, J., & Barth, J. Ethical Practice and Opinions in Neuropsychology: A Survey of the National Academy of Neuropsychology. Poster presented at the Sixth Annual Research Symposium in Psychiatry, Psychology and Behavioral Science, Toledo, Ohio, April, 1999.

Williams, K.S., Tamburrino, M.B., and McSweeney, A.J. Heart Transplantation: Emotional Significance of Heart and Desired Donor Traits. Poster presented at the Fifth Annual Research Symposium in Psychiatry, Psychology and Behavioral Science, Toledo, Ohio, April, 1998.

McSweeney, A.J., Ivnik, R. J., Malec, J.F., and Smith, G.E. Regression-based Standard Scores for Measuring Memory Retention in the Elderly. Poster presented at the Fourth Annual Research Symposium in Psychiatry, Psychology and Behavioral Science, Toledo, Ohio, April, 1997

CONSULTIVE AND REVIEW ACTIVITIES:

April, 2006	Member, Long-Term Oxygen Treatment Trial Proposal Review Panel, National Heart, Lung and Blood Institute
2004 - 2009.	Member, COPD Clinical Research Network, Protocol Review Committee, National Heart, Lung and Blood Institute
February, 2003	Member, Special Study Panel to Review Proposals for the COPD Clinical Research Network, National Heart, Lung and Blood Institute
1997 – 2005	Member, Safety and Data Monitoring Panel, National Emphysema Treatment Trial, National Heart, Lung and Blood Institute
September, 1996	Special Study Panel Grant Reviewer for the National Emphysema Treatment Trial, National Heart, Lung and Blood Institute
May-June, 1994	Consultant on Neuropsychology, NIH Women's Health Institute Study on Hormone Replacement Therapy and Dietary Modification.
May, 1993	Grant and Site Reviewer, National Institute for Disability and Rehabilitation Research, U.S. Department of Education.
1988-1989	Consultant on Neuropsychology, Parkview Hospital, Fort Wayne, Indiana.
1987-2010 (periodic)	Grant reviewer, Department of Veterans Affairs.
1982-1987	Consulting Psychologist, Toledo Outpatient Center of Ann Arbor, VA Medical Center.
1982-1983	Consultant, Toledo Community Hospital Oncology Project.
August - November, 1991	Consultant, Pulmonary Rehabilitation Program, Wheeling Hospital, Wheeling, West Virginia.
1979-1981	Consultant and Site Reviewer, Division of Lung Diseases, National Heart, Lung and Blood Institute.
1980-1981	Research Consultant, Rehabilitation Institute of Chicago, Northwestern University Medical School.
1975-1976	Methodology Consultant, Crime Reporting Project, Department of Psychology, Loyola University, Chicago, Illinois.

MAJOR RESEARCH INTERESTS:

General:

Neuropsychology - The Relationships between Brain and Behavior.

Forensic Applications of Neuropsychology

Specific:

- 1) Functional Neuroimaging
- 2) Neuropsychological Aspects of Epilepsy.
- 3) Assessment of Cognitive and Sensory Deficits in Dementia.
- 4) Life Quality and Neuropsychological Aspects of Systemic Disease.
- 5) Computerization of Neuropsychological Measures.
- 6) Prediction of Everyday Life Functioning with Neuropsychological Measures
- 7) Legal concepts of competency and capacity in relation to neuropsychology.

PAST RESEARCH SUPPORT AND TRAINING GRANTS:

Visiting Scholar Grant-American Psychosomatic Society. Role: Principal Investigator.

Neuropsychological and Emotional Aspects of Cardiac Transplantation - American Heart Association - Role: Principal Investigator. (Approved for funding but not activated due to cessation of heart transplantation at [mch](#).)

Evaluation of Tacrine - Parke-Davis. Role: Co-Investigator.

Neuropsychological Predictors of Driving Skills in the Elderly. University of Michigan Seed Grant. Role: Co-Investigator.

Alzheimer's Disease Diagnostic and Research Grant Program - State of Ohio. Role: Principal Investigator.

Neuropsychological and Emotional Aspects of Ventilation - Douglas Foundation. Role: Principal Investigator.

Nocturnal Oxygen Therapy with Chronic Obstructive Lung Disease. National Heart, Lung and Blood Institute. Role: Co-Investigator.

Training Grant for Psychology Graduate Students - State of West Virginia, Department of Health. Role: Manager.

Factors in the Rehabilitation of Patients with Chronic Obstructive Pulmonary Disease. National Heart, Lung and Blood Institute. Role: Co-Investigator.

Evaluation of Long-term Mental Health Facilities. Illinois Department of Mental Health. Role: Co-Investigator and Project Director.

MCO Biomedical Research Grants to Study a) Neuroanatomical Aspects of Reading Disorders; b) Psychological Aspects of Ventilation; and c) Neuro Behavioral Aspects of Congenital Heart Disease. Role: Co-Investigator (a,b); Investigator (c).
