1. The minutes of the March 13 college council meeting were approved.
2. Approved via email vote during the previous week:
   a. Proposal for degree modification for the BFA with a concentration in Digital and Photographic Art.
   b. Proposal for degree modification for the BA in Communication with Communication Studies
   c. Proposal to create three new interdisciplinary minors:
      i. Sound Production and Design
      ii. Visual Effects and Animation
      iii. Digital Arts and Visual Communication
3. The COCA constitution revisions were completed and approved. The section that describes chair selection/appointments was the last section to be edited and approved. Holly will post two versions of the revised constitution on the Council’s web page: one with MS Word’s Track Changes feature displaying the older version vs. the revised version, and one version that is a clean presentation of the revised version. Holly will also conduct an electronic vote for approval of the revised constitution.
4. Discussion ensued concerning the possibility of new associate degrees at UT.
5. Discussion ensued concerning the university core and Ohio Transfer Module.
6. The elections for college-level committees for AY 2014-2015 were discussed. Elections for CCAP and College Council will take place just after the vote for the constitution revisions. Holly will coordinate the elections for CCAP. Ray will contact chairs for representatives for College Council.
