

**Visiting Assistant Professor
Digital Art**

The University of Toledo is accepting applications for a Visiting Assistant Professor in Digital Art beginning August 2009 one-year full time position, with a possible two-year renewal pending final budgetary approval. This position is a nine-month contract teaching four Digital Art courses per term with limited digital technician responsibilities.

We are looking for substantial creative and technological skills, with fluency in a variety of digital applications and techniques, print and web-based. Applicants should be versed in historical and conceptual frameworks of New Media practice within a fine arts program as well.

This is a digital position within a New Media program. Applicants must possess a terminal degree in visual art/New Media or other appropriate field required. MFA required with two years experience teaching art and technology desirable.

The successful candidate must be able to address contemporary issues with a fine arts approach to art and technology through coursework and critiques. Applicants must have expertise in Mac OS, Adobe Creative Suite, print and web-based software. Applications will be accepted until filled.

Please send:

- Resume
- 20 personal and 10-15 student works as jpegs on a CD/DVD or as a portfolio website.
- Three reference letters addressing your technical expertise and conceptual capabilities.
- Teaching philosophy
- List of application and technology proficiencies (i.e. Photoshop, Podcasting, Video casting, Dreamweaver, WordPress.)
- Sample assignments
- Other support materials
- SASE

Application review begins: June 30, 2009
