

The University of Toledo  
Department of Chemistry

# The James A. Poure Scholarship

The James A. Poure<sup>1</sup> Scholarship, awarded first in August 1997, is awarded to a student who is a sophomore, junior, senior or **graduate student in the Department of Chemistry at UT** during the current academic year. The scholarship will provide \$500 in support of the awardee's education at UT during the following academic year and is renewable upon reapplication. A senior applicant must have accepted admission into the graduate program in the Department of Chemistry during the year of the award. In addition to the Chemistry Department Scholarship Application Form and grade transcripts, the applicant should submit a curriculum vitae and an essay of no more than 1200 words on a value-oriented topic, dealing with the beneficial contributions chemistry has made to society, with an emphasis on the impact of chemistry on northwest Ohio and contributions by regional companies, such as GAC Chemical Corporation,<sup>2</sup> preferred.

<sup>1</sup>James A. Poure is Chairman and CEO of GAC Chemical Corporation in Holland, Ohio.

<sup>2</sup>Literature about GAC Chemical Corporation and its products and markets is available from the office of the Department of Chemistry in Bowman-Oddy Laboratory. Further information on the history of the company and James A. Poure can be found at [www.gacchemical.com](http://www.gacchemical.com).
