### Global Focus, Regional Impact

**COLLEGE OF BUSINESS  
ADMINISTRATION**

THE UNIVERSITY OF TOLEDO

**The College of Business Administration offers a general minor for students in non-business degree programs at The University of Toledo. This option is recommended for students who want to enhance their academic curricula with business-related course work.**

With careful planning, students may be able to complete the requirements for a minor in business administration as part of the hours already required for their degree programs. Students should meet their college advisers to discuss how the minor requirements will fit into their plans of study.

Advisers in the College of Business Administration will also assist students in the planning of their minor course work. Nonetheless, it is the responsibility of each student to comply with all course prerequisites.

Students interested in more than one business minor or the MBA program should visit Student Services, in ST 1016. Only one minor course may "double count" in both business minors.
