

Grant provides IT scholarships

By: Justin R. Kalmes

12/7/2007

Fifth Third Bank representatives presented a check for \$300,000 from the Charlotte R. Schmidlapp Fund to the University of Toledo Foundation to help build a better tomorrow for women by providing scholarships to encourage enrollment in technology programs, specifically a joint degree — a Bachelor of Science and Information Technology — offered through the College of Business Administration and the College of Engineering.
