Undergraduate Graduation Application Deadlines

EVERY student must apply to graduate, and that usually takes place several months before the term in which you intend to graduate. Below are the graduation application deadlines for the next three academic terms:

Summer 2014 – **PAST DUE – ACTION REQUIRED IMMEDIATELY

Fall 2014– **PAST DUE – ACTION REQUIRED IMMEDIATELY

Spring 2015 – November 14, 2014

Summer 2015 – April 3, 2015

If you applied **by** the posted deadline, you will receive a letter from the College of Business regarding academic requirements to graduate. For example, if you applied to graduate in August 2014 you should have received a letter prior to classes beginning in May that states based on your current registration, if there are any deficiencies that you will need to address in order to graduate – or if you are all set as registered to graduate. Contact COBladvising@utoledo.edu with your Rocket # if you still have questions. Student who applied for **December 2014 graduation by the deadline of April 4, 2014** will receive their letters prior to classes beginning in August.

Grade Deletions/Recalculations

- Students who have repeated a course to get a passing or better grade [must complete a grade recalculation form](#).
- Grade recalculations do not happen automatically simply because a student retakes the course.
- Only the original grade can be deleted, but it is up to the student to request this.
- If the repeated course was a COBI course, the [form](#) can be submitted to Savage Business Complex (Stranahan North) Room 3130 for further processing.
- University of Toledo students are permitted to grade delete a maximum of 12 credit hours.

Incomplete (IN) and Missing Grades

The “IN” grade is typically given by an instructor if a student has extenuating circumstances beyond their control that prevented them from completing the coursework or withdrawing by the end of the semester. All course work for incomplete classes must be completed by the end of the next semester or the grade will automatically turn to an F. For example, if you have an incomplete grade for BUAD 2040 in the fall, and you do not complete all the work by the end of the spring term, you will fail BUAD 2040. Also remember to check your transcript if you were never issued a grade for a course, and consult with the faculty member to get those issues resolved as well. It is always the student’s responsibility to follow up to make sure the grade is posted.

Please visit Student Services in Savage Business Complex (ST-North) 3130 or call at 419-530-2087 if you have any questions or want advice on incomplete and missing grades and how to get them resolved.

COBI Student Retention & Academic Success Office - Advising Email Address - Access for Information

The COBI Student Retention & Academic Success Office has an office email address:

COBIadvising@utoledo.edu. You may email this address with general questions (**please include your rocket number**), and your email will be answered by one of the COBI academic advisers or staff members. We will still answer questions on the phone at 419-530-2087, in person in Savage Business Complex (Stranahan North) Room 3130, and through emails to individual advisers. While taking advantage of this resource, please remember that responses are not immediate.

Also remember that duplicate emails slow response time! We have had some occurrences of students emailing questions individually to multiple advisers – this causes quite a deal of extra work – when several people are taking the time to respond to the same person on the same issue. The purpose of the COBI account is that someone will respond ASAP even if a specific adviser is unavailable or on vacation. If you feel the necessity to email more than one person, **please copy everyone** on the same email.
