Go for performance. Leave the dust behind.

Introducing the new 3M Xtract™ Cubitron™ II Net Disc 710W

Imagine a cleaner workspace, where sanding is virtually dust-free. With the new 3M Xtract™ Clean Sanding Solutions, performance and dust extraction don't compromise.

The 3M Xtract™ Cubitron™ II Net Disc 710W is our premium option for a variety of substrates including metal, wood, and composites.

The net backing combined with 3M Precision Shaped Grain technology produces a virtually dust-free sanding experience. Finish more parts per disc with less dust in the environment, boosting productivity without sacrificing dust extraction.

Look for the unique hole pattern available only from 3M!

- ▶ Up to 97% dust extraction
- ▶ Industry-leading cut-rate
- ▶ Designed to require less pressure
