Mission Statement (adopted 10/02/07)
"Developing Lifelong Leaders for the World of Business..

- Preparing a diverse body of students for life-long careers as leaders and contributing professionals
- Delivering influential research and publications
- Enhancing the world of business practice and serving as a resource for regional economic development

Accreditation
The University of Toledo College of Business and Innovation has two undergraduate programs fully accredited at the undergraduate level by The Association to Advance Collegiate Schools of Business (AACSB International). These include the bachelor of business administration (BBA) and the bachelor of science in information technology (BSIT). In addition, the graduate programs are accredited by the AACSB.

Degrees Offered
Bachelor of Business Administration
The Bachelor of Business Administration (BBA) undergraduate curriculum includes a broad liberal arts background, a general core of business courses, and a specific area of specialization.

- Accounting
Bachelor of Science in Information Technology (BSIT) The Bachelor of Science in Information Technology (BSIT) program is offered jointly by the College of Engineering and the College of Business and Innovation. The BSIT program features a hands-on education leading to careers in the management of the technology infrastructure of organizations of all types and sizes. The program specifically focuses on the technology side of information technology and emphasizes interfacing technologies and the management of technologies. The curriculum covers the operational support and administration of diverse computing systems and the integration of existing technologies, components and products. The program will provide students with a breadth of skills in the core information technologies including programming, computer hardware and networking, databases and Web technologies in order to prepare students for positions as information technologists providing operational and infrastructure support for computer and information systems in business, manufacturing, and institutional organizations.

Bachelor of Applied Organizational Technology (BAOT) All transfer students must have a minimum GPA of 2.25 and have completed a technical associate degree to be accepted into the College of Business and Innovation for the bachelor of applied organizational technology. Transfer students’ admission will be determined by the higher education (HEd) grade point average. The HEd GPA is based on all letter grades attained at all institutions of higher learning and uses the point average scale of “A” equaling four points.

Associate Degree Programs
The Department of Applied Organizational Technology (DAOT) offers degrees in:

Accounting Technology
Admission Policies

General Requirements

Bachelor of Business Administration (BBA)
To be admitted to the bachelor of business administration program (BBA) at The University of Toledo, students need a minimum 2.80 cumulative high school grade point average (GPA) or a minimum 25 ACT composite or 1150 SAT composite. Students who do not qualify for admission to the College of Business and Innovation BBA may be admitted to the associate of arts pre-business degree program which is designed to complete the first two years of the bachelor of business administration degree.

Bachelor of Science in Information Technology (BSIT)
To be admitted to the minimum GPA of program at The University of Toledo, students need a minimum 2.4 cumulative high school grade point average (GPA) and a minimum 21 ACT composite or 980 SAT.

Bachelor of Applied Organizational Technology (BAOT)
All transfer students must have a minimum GPA of 2.25 and have completed a technical associate degree to be accepted into the College of Business and Innovation for the bachelor of applied organizational technology. Transfer students’ admission will be determined by the higher education (HEd) grade point average. The HEd GPA is based on all letter grades attained at all institutions of higher learning and uses the point average scale of “A” equaling four points.

Associate Degree Programs
To be admitted to an associate degree program in the College of Business and Innovation at The University of Toledo, students need a minimum 2.00 cumulative high school grade point average (GPA) or a minimum 18 ACT composite or 870 SAT composite. Students who do not qualify for admission to the College of Business and Innovation will be admitted to the University of Toledo Learning Collaborative and may transfer to the College of Business and Innovation when the minimum requirements are met.

Admission to Divisions
The qualifications for admission to the undergraduate degree program and to the upper division, the prerequisites for courses, and all other requirements apply equally to full-time, part-time and transfer students. For purposes of admissions, the College of Business and Innovation has the following divisions:
1. The Lower Division – Students enter this division upon admission to the University and to the college to complete the pre-professional business and University Core Classes.

2. The Upper Division – Undergraduate students apply for admittance to the upper division when their earned hours plus their registered hours total 60. In addition to the 60 hours, a student must earn a minimum GPA of 2.25 in the following courses: BUAD 1010, 1020, 2040, 2050, 2060, 2070 and 2080; as well as an overall minimum GPA of 2.25. A student not meeting the overall standards but with a cumulative GPA of 2.0 will be reviewed by the college admission committee for admission to the upper division on an individual basis. Accounting majors have additional requirements which must be met – see below.

Requirements to be admitted to the accounting area of specialization and to register for ACCT 3100 are as follows: a minimum GPA of 2.50 in the introductory-level college accounting courses, including a grade of C (2.0) or better in BUAD 2040 and 2050 or equivalent courses, and an overall higher education minimum GPA of 2.50 in all prior college level courses.

(Students in the Department of Applied Organizational Technology degree programs should refer to the specific department section found below for more information)

3. The Associate Division - Students enter this division upon admission to the University and college and will complete the required classes towards an associate degree in the chosen specialization. Students may also complete the pre-professional business and University Core Classes towards a bachelor degree if minimum requirements are not met initially to enter the bachelor degree program the first semester.

4. The Graduate Studies Division – This division consists of all students who have been admitted for graduate study in the college. The procedure for admission and the entrance requirements are outlined in the Graduate School portion of this catalog.

Transfer including Change of College Policy

Admission Requirement

All transfer students must have a minimum GPA of 2.40 to be accepted into the College of Business and Innovation to pursue a Bachelor of Business Administration (BBA) or a Bachelor of Science in Information Technology (BSIT), a minimum GPA of 2.25 to pursue a Bachelor of Applied Organizational Technology (BAOT) and a minimum 2.00 GPA to pursue any associate degree in the College of Business. Transfer students’ admission will be determined by the higher education (HE) grade point average. The HE GPA is based on all letter grades attained at all institutions of higher learning and uses the point average scale of an equaling four points. The admission of students wishing to change from another college within The University of Toledo to the College of Business and Innovation to pursue a Bachelor in Business Administration must have a minimum 2.40 GPA based on their current UT cumulative GPA. To pursue any associate degree in the College of Business, a student must have a minimum 2.00 GPA based on their current UT cumulative GPA.

Degree Requirements

Transfer courses will be evaluated by the College of Business and Innovation after the student has submitted official transcripts from all colleges/universities attended and has been accepted by the college. The student must complete the evaluation process before the end of the first term of attendance at UT. For purposes of determining the UT GPA, grades from another institution do not transfer. The GPA will be based on the course work taken while enrolled in The University of Toledo. For students transferring into the College of Business and Innovation from another college within The University of Toledo, all undergraduate hours attempted and earned, as well as the GPA, will transfer. To qualify for the bachelor of business administration degree, students must fulfill all College of Business and Innovation course and grade requirements. Transfer students should note The University of Toledo will include all course work taken at all institutions of higher education in the calculation to determine if a student will graduate with honors. All college course
work taken is computed in determining eligibility for graduation with honors, although no student will be awarded a level of honors above that indicated by The University of Toledo cumulative GPA. The University of Toledo requires a minimum of 30 semester hours of standard letter-graded courses from UT in order to qualify for graduation with honors.

Transfer students must complete at least 50% of all business courses, as well as 50% of major/area of specialization courses and 50% of business minor courses at the University of Toledo.

Evaluation of Courses
The College of Business and Innovation Office of Student Retention and Academic Success (OSRAS) will complete the evaluations based on course equivalencies determined by the appropriate academic unit. In many cases, courses from other universities/colleges have been pre-approved for equivalency and will transfer with confirmation. Equivalent courses from AACSB-accredited schools automatically transfer. When automatic transfer does not exist, it is possible for a student to obtain course equivalency by petitioning to take a proficiency exam. Students should provide a course syllabus and/or any additional documentation with the petition. Students should contact the OSRAS for additional information.

U Select
U Select is a statewide Web-based transfer information system supported by the Ohio Board of Regents. U Select shows course equivalencies between public and private two-year and four-year colleges and universities, along with college degree requirements.

College of Business and Innovation Honors Program
College Honors
The COBI Honors Program is an opportunity for students of high ability and achievement to enrich their regular program of college work. Admission is based on grades, scores on achievement tests and an essay. The College of Business and Innovation’s Honors Program is offered as part of the University Honors College. Students take honors courses in the College of Arts and Sciences, as well as in the College of Business and Innovation. Enrollment in honors courses is limited. Up to 30 freshman students are admitted each fall to a program leading to receipt of the College of Business and Innovation honors citation upon graduation.

Departmental Honors
Currently enrolled University of Toledo students and transfer students may apply during their last semester in the college’s lower division for admission to the College of Business and Innovation departmental Honors Program if they have completed at least 45 semester hours of college work and have earned a minimum GPA of 3.3 (4.0 scale). Students are admitted to the departmental honors program on a space-available basis.

   BUAD 4020 Senior Business Policy Forum-Honors Thesis
3. If a student already has non-Honors credit for a required course, another honors course will be substituted.

Honors Retention Standards
To remain in good standing in the College of Business and Innovation Honors Program, a student must earn a minimum overall GPA of 3.0 by the end of the first year (typically at least 30 hours), 3.1 by the end of the second year (typically at least 60 hours), and 3.2 by the end of the third year (typically at least 90 hours), and make satisfactory progress toward fulfillment of the requirements for a degree “with honors” in the college.

Academic Policies
Academic Advising
Students receive advising concerning their academic program from the college professional advisers located in the Office of Student Retention and Academic Success in Stranahan Hall North Room 3130. Appointments and walk-in hours are available throughout the year. Students may also email general questions to the staff through COBIadvising@utoledo.edu. Degree audits (DARS) are available in the office and online through Student Self-Service through the myUT portal.
Student Responsibilities
Students are responsible for selecting the correct courses for their programs of study each semester and for fulfilling their degree requirements. Although advisers will assist wherever possible, the final responsibility for fulfilling all degree requirements rests with the student.
Declaring or Changing a Major and/or Minor
Forms for declaring or changing a college major and/or minor are available in the Office of Student Retention and Academic Success or online at www.utoledo.edu/business.
GPA Recalculation for Repeated Courses
Effective fall 2006, if a student repeats a UT course and receives a higher grade, a request to delete the original grade, as long as the original course grade was lower, can be made. Prior to fall 2006, if a student
repeats a UT course and receives a grade of C (2.0) or higher, a request to delete the original grade, as long as the original course grade was a C- or lower, can be made. The request form is available in the Student Services Center. If the original grade was earned because of cheating or academic dishonesty, it will not be deleted. A maximum of 12 credit hours can be deleted.

Academic Probation
When a student’s cumulative GPA falls below 2.0, the student is automatically placed on probation.

Academic Suspension
Academic suspension means a student is dropped from The University of Toledo for a minimum period of one semester. A student is subject to academic suspension if he/she falls below the minimum requirements or fails to make sufficient progress toward attainment of the degree. No course work taken at any other educational institution during the student’s suspension shall be accepted as transfer credit. However, students may remove incompletes while under suspension. See the General Section of this catalog for additional details on University probation and suspension policies.

Readmission
Suspended students cannot enroll at UT for at least one semester. A suspended student must submit an appeal in writing for readmission to the assistant dean for student services. Students suspended for a second time cannot enroll at UT for at least one year. Appeals must be received at least one month prior to the beginning of the academic term.

Code of Student Academic Conduct and Student Academic Grievance Procedure
Issues related to charges of student academic misconduct or disputes as to final course grades, and the procedures for resolving such issues are set forth by the specific language of the Code of Student Academic Conduct and the procedures for resolution of such issues in the Student Academic Grievance Procedure. Procedural guidelines may be located on the college’s Web site at www.business.utoledo.edu.

Degree Audit Requirement (DARS)
The Degree Audit Reporting System is an automated record that contains all of a student’s graduation requirements and tracks that student’s progress toward meeting those requirements. Degree audits are available to students upon request from the Office of Student Retention and Academic Success and online through the myUT portal Student Self-Service. Students are encouraged to keep current degree audits for their personal use and to discuss their degree audits with their academic advisers.

Degree Requirements for the Bachelor of Business Administration (B.B.A.)
Grade and Hour Requirements
In order to earn a B.B.A. degree, students must complete a minimum of 126 hours of course work, with a minimum cumulative 2.0 GPA on a 4.0 scale. All University core, lower division and upper division requirements must be satisfied. Students must earn a minimum of a C (2.0) grade in each course in the area of specialization, in COMM 3880, and in each course in a business minor (if one is completed). The departmental chair has the prerogative of substituting an additional course in the area of specialization or minor, rather than requiring the student to repeat the course in which a grade below C was received. The student must earn a C or higher in the substituted course for it to satisfy the requirements of the specialization or minor.

Lower Division Curricular Requirements
Students earning bachelor degrees in all colleges and programs are required to complete between 27 and 31 credit hours of courses that comprise the University Core Curriculum. The courses are distributed in the areas of English composition, humanities/fine arts, social sciences, natural sciences, mathematics and multicultural studies.

Lower Division courses that each student is required to take in the College of Business and Innovation, regardless of area of specialization, are identified below. Students must earn a minimum 2.25 GPA in the subset courses (*) to meet graduation requirements.

BUAD 1000 Orientation for Business Students
BUAD 1010 Introduction to Business (*)
Upper Division Curricular Requirements
All students must make formal application for admission to the upper division one semester before the semester in which they earn 60 hours.
The core junior and senior years of the curriculum consist of the following upper division business requirements, an area of specialization, and a minor or business elective courses and COMM 3880. Students must earn a minimum 2.25 GPA in the subset courses (*) to meet graduation requirements. Students must also earn a grade of “C” (2.00) or higher in all major and minor courses as well as COMM 3880.

BUAD 3000 Career Development II
BUAD 3010 Principles of Marketing (*)
BUAD 3020 Principles of Manufacturing and Service Systems (*)
BUAD 3030 Managerial and Behavioral Processes in Organizations (*)
BUAD 3040 Principles of Financial Management (*)
BUAD 3050 Information Technology Management (*)
BUAD 3470 Legal and Ethical Environment of Business (*)
BUAD 4020 Senior Business Policy Forum (*)
COMM 3880 Professional Business Communication

Requirements for areas of specialization and minors are identified by functional area in the following pages. Students in the College of Business and Innovation wishing to pursue a second area of specialization can count up to two relevant courses (6 hours) taken in their first specialization toward a second specialization. Relevance of the courses is at the discretion of the two departments. Such a program may require taking more than the minimum of 126 hours for the B.B.A. degree.

Residence Requirement
To earn a degree from the College of Business and Innovation, a student must complete at least 50 percent of business credits from the college as well as 50 percent of their major and minor course work. The senior year (final 30 semester hours) in the baccalaureate program must be taken in residence at UT by all business students. Under certain circumstances, appeals to this rule are approved for up to 15 semester hours.

Class Ranks
In the College of Business and Innovation, class rank is determined as follows:

Programs of Study - BBA
Areas of Specialization / Majors
Students must take a minimum of 10 courses between their area of specialization and either a business minor, second specialization or other 3000/4000 level business electives. Courses in the area of specialization may consist of required and or elective courses and an internship opportunity.

Accounting
Donald Saftner, adviser
The department of accounting offers courses in the areas of financial accounting, management accounting, auditing, accounting systems and taxation. Completion of an accounting area of specialization leads to professional careers in public accounting, business and government and begins the preparation for the Certified Public Accountant (CPA), Certified Management Accountant (CMA) and Certified Internal Auditor (CIA) examinations.

The specialization in accounting is designed to enable students to advance more rapidly to positions of responsibility and leadership in their chosen fields. In the state of Ohio, all candidates taking the CPA exam must have completed 150 credit hours. Accounting career fields other than public accounting have not adopted the 150-hour requirement. The department of accounting offers a graduate degree that can be pursued in addition to a bachelor’s degree.

Operations / Supply Chain Management

Paul Hong, adviser
Operations & Supply Chain Management is designed for students who are interested in the revitalization and enhancing the competitiveness of America’s industrial base or who want to pursue careers in the rapidly expanding service sector. Students select either the Operations or Supply Chain track. In operations management, students acquire the knowledge and skills to manage people and resources. Students are given a broad overview of operations from product design, process selection, TQM, production planning and scheduling. In supply chain management, the emphasis will lie in sourcing, industrial marketing, logistics, transportation, quality, information systems, emerging practices in supply chain management and e-commerce. Technical Studies
Degree candidates at The University of Toledo must be in good standing. An associate of technical study (A.T.S.) degree will be granted to the student completing the following requirements:

☒ The satisfactory completion of no fewer than 60 semester hours. Pending change from 68 hours.

☒ The completion of no fewer than 20 of the above 60 semester hours while in attendance at UT, or 30 hours for transfer students from other institutions. A student must attain a C (2.0) average for all work at the college level.

☒ Completion of a minimum of 30 hours of technical studies attained in an approved educational plan.

These 30 hours must consist of an interdisciplinary, but coherent, combination of courses selected from two or three technical programs. At least 16 hours must be selected from one technical field, and students must attain a C (2.0) average for all technical work utilized in satisfaction of this requirement.

Note: Students must have an approved educational plan in order to be eligible for any A.T.S. program. The process to gain approval begins with an appointment with a college adviser.

Associate Degree Programs Pending Final Approval/Modification:

Health Information Technology – 62 hours
Intermodal Transportation Technology – 61 hours

Business Minors for Non-Business Students at The University of Toledo

The College of Business and Innovation offers a general minor and seven specialty minors (accounting; business analysis; electronic commerce/information technology; entrepreneurship, family and small business; international business; professional sales and operations/supply chain management) for students in non-business programs at The University of Toledo. These minors are recommended for students who want to enhance their academic programs with business-related course work. Students taking courses in the business minor must meet course prerequisite requirements. These minors are designed specifically for non-business students and should not be confused with the individual minors offered for College of Business and Innovation students. Students can complete a maximum of two minors and may take no more than one course that fulfills the requirements of both minors. Students should contact advisers in their college and in the College of Business and Innovation for additional details about the minors.

General Minor for Non-Business Students

Requirements for the General Minor in Business for Non-Business Students

1. A minimum cumulative GPA of 2.25 is required in the following prerequisite courses or their equivalents. A student who does not meet the minimum standards but has at least a cumulative 2.0 in the prerequisites will be reviewed by the College of Business and Innovation assistant dean on an individual basis. In addition to the requirements below, students must demonstrate computer proficiency through a proficiency test, Microsoft certification or an introduction to business computing course.
