Mission Statement (adopted 10/02/07)

"Developing Lifelong Leaders for the World of Business."

- Preparing a diverse body of students for life-long careers as leaders and contributing professionals
- Delivering influential research and publications
- Enhancing the world of business practice and serving as a resource for regional economic development

Accreditation

The University of Toledo College of Business and Innovation has two undergraduate programs fully accredited at the undergraduate level by The Association to Advance Collegiate Schools of Business (AACSB International). These include the Bachelor of Business Administration (BBA) and the Bachelor of Science in Information Technology (BSIT). The Accounting Program has also received additional AACSB accreditation. The graduate programs are accredited by the AACSB as well.

Degrees Offered

Bachelor of Business Administration (BBA)

The Bachelor of Business Administration (BBA) undergraduate curriculum includes a broad liberal arts background, a general core of business courses, and a specific area of specialization. Students must select at least one of the thirteen areas/majors listed below.

- Accounting
- Digital Marketing
- Entrepreneurship, Family, & Small Business
- Finance
- Financial Services
- General Management
- Human Resource Management
- Information Systems
- International Business
- Marketing
- Operations & Supply Chain Management
- Organizational Leadership and Management
- Professional Sales

Bachelor of Science in Information Technology (BSIT)

The Bachelor of Science in Information Technology (BSIT) program is offered jointly by the College of Engineering and the College of Business and Innovation. The BSIT program features a hands-on education leading to careers in the management of the technology infrastructure of organizations of all types and sizes. The program specifically focuses on the technology side of information technology and emphasizes interfacing technologies and the management of technologies. The curriculum covers the operational support and administration of diverse computing systems and the integration of existing technologies, components and products. The program will provide students with a breadth of skills in the core information technologies including programming, computer hardware and networking, databases and web technologies in order to prepare students for positions as information technologists providing operational and infrastructure support for computer and information systems in business, manufacturing and institutional organizations.

Bachelor of Applied Organizational Technology (BAOT)

The Bachelor of Applied Organizational Technology (BAOT) program is a 2+2 completion degree for students with a technical associate degree. It includes a general business focus as well as general education and higher-level non-business coursework. Some students elect to include a minor from outside the college of business as part of their degree requirements. Students may also complete a business minor in addition to required courses. All transfer students must have a minimum GPA of 2.25 and have completed a technical associate degree to be accepted into the College of Business and Innovation for the bachelor of applied organizational technology. Transfer students' admission will be determined by the higher education (HEd) grade point average. The HEd GPA is based on all letter grades attained at all institutions of higher learning and uses the point average scale of "A" equaling four points.

Associate Degree Programs

The Department of Applied Organizational Technology (DAOT) offers degrees in:

- Accounting Technology
- Business Management Technology
- Computer Network Administration
- Computer Software Specialist
- Information Services and Support
- Pre-Business (2+2 with BBA)
- Programming and Software Development
- Technical Studies - General as well as a Graphic & Web Design option.
Only one degree in Technical Studies will be awarded

Workplace Certificates –Non-Degree Granting Programs

While not an official academic designation on a transcript, these workplace certificates have credit-bearing courses which appear on an official transcript and give added value to career goals. Coursework may also be applied to future degree programs. Review of these scenarios must be discussed with a COBI academic adviser.

If a student is not in another degree-granting program at the University of Toledo, they will need to apply to UT as a non-degree student in order to enroll in the courses. Students must meet pre-requisites to take all courses including junior standing for the Financial Planning and Real Estate certificates. Post baccalaureate workplace certificates (noted below) are designed for those students who have already completed a bachelor degree of some kind.

- Accounting Technology
- Business Management Technology
- Computer Network Administration
- Computer Software Specialist
- Financial Planning
- Information Services and Support
- Programming and Software Development
- Web Design
- Digital Marketing (post baccalaureate)
- Consultative Sales (post baccalaureate)

Admission Requirements/Policies

General Requirements

Bachelor of Business Administration (BBA)

To be admitted to the Bachelor of Business Administration program (BBA) at The University of Toledo, students need a minimum 2.80 cumulative high school grade point average (GPA) **or** a minimum 25 ACT composite /1150 SAT composite (older version taken prior to March 2016) or 1220 SAT composite (newer version taken March 2016 or after) **or** a GED average score of 510 (2002 format)/710 (2014 format). Students who do not qualify for direct admission into the College of Business and Innovation BBA may be admitted to the Associate of Arts, AA, pre-business degree program. The AA PREB program is a 2+2 program with the Bachelor of Business Administration degree, but students may move into the BBA program any time after they have earned a 2.4 UT GPA.

Bachelor of Science in Information Technology (BSIT)

To be admitted to the Bachelor of Science in information technology program (BSIT) at The University of Toledo, students need a minimum 2.5 cumulative high school grade point average (GPA) **or** a GED average score of 480 (2002 format)/700 (2014 format) with a Mathematical Reasoning subscore of 180 **AND** a minimum 21 ACT composite with a minimum 20 ACT in Math **or** a minimum 990 SAT composite with a 480 Math subscore (older version taken prior to March 2016) **or** 1070 SAT composite with a 510 Math subscore (newer version taken March 2016 or after).

Bachelor of Applied Organizational Technology (BAOT)

Students must have an earned technical associate degree and a minimum GPA of 2.25 to be admitted to the Bachelor of Applied Organizational Technology at The University of Toledo. Transfer students' admission will be determined by the higher education (HEd) grade point average. The HEd GPA is based on all letter grades attained at all institutions of higher learning and uses the point average scale of "A" equaling four points.

Associate Degree Programs

To be admitted to an associate degree program in the College of Business and Innovation at The University of Toledo, students need a minimum 2.00 cumulative high school grade point average (GPA) **or** a minimum 18 ACT composite /870 SAT composite (older version taken prior to March 2016) **or** 950 composite (newer version taken after March 2016) **or** a passing GED average score of 480 (2002 format)/600 (2014 format). Students who do not qualify for admission to the College of Business and Innovation will be admitted to the University of Toledo Learning Collaborative and may transfer to the College of Business and Innovation when the minimum requirements are met.

Admission to Divisions - BBA

The qualifications for admission to the undergraduate degree program and to the upper division, the prerequisites for courses, and all other requirements apply equally to full-time, part-time and transfer students. For purposes of internal admissions, the College of Business and Innovation has the following divisions:

- 1. The Lower Division** – Students admitted to the BBA enter this division upon admission to the University and to the college. In the lower division, students complete the pre-professional business and University Core/General Education Classes.
- 2. The Upper Division** – Undergraduate students in the BBA apply for admittance to the upper division also known as the professional division or sequence when their earned hours plus their registered hours total at least 60 hours. In addition to the 60 hours, a student must have earned a minimum GPA of 2.25 in the following courses: BUAD 1010, 1020, 2030, 2040, 2050, 2060, 2070 and 2080; as well as an overall minimum GPA of 2.25. A student not meeting the overall standards, but with a cumulative GPA of 2.0 upon appeal, will be reviewed by the college admission committee for admission to the upper division on an individual basis. Students may officially declare their major or area of specialization when applying to the upper division.

Students wishing to major in accounting have additional requirements which must be met to enter this major/area of specialization. To be admitted to the accounting area of specialization and to register for ACCT 3110, students must earn a minimum GPA of 2.750 in the introductory-level college accounting courses, including a grade of C (2.0) or higher in both BUAD 2040 and 2050 or equivalent courses, and an overall higher education minimum GPA of 2.750 in all prior college level courses. Any appeals are reviewed by the Accounting Department.

Transfer / Change of College Admission Requirement

All transfer students must have a minimum GPA of 2.40 to be accepted into the College of Business and Innovation to pursue a Bachelor of Business Administration (BBA), a minimum GPA of 2.25 to be accepted into Bachelor of Science in Information Technology (BSIT), a minimum GPA of 2.25 to pursue a Bachelor of Applied Organizational Technology (BAOT) and a minimum 2.00 GPA to pursue any associate degree in the College of Business. Transfer students' admission will be determined by the higher education (HE) grade point average. The HE GPA is based on all letter grades attained at all institutions of higher learning and uses the point average scale of an equaling four points.

The admission of students wishing to change from another college within The University of Toledo to the College of Business and Innovation is the same as for a transfer student.

College of Business and Innovation Honors Program

Jesup Scott Honors College

The Jesup Scott Honors College is an opportunity for students of high ability and achievement to enrich their regular program of college work. Admission is based on grades, scores on achievement tests and an essay. The College of Business and Innovation's Honors Program is offered as part of the Jesup Scott Honors College. Students take honors courses in the Honors College, as well as in the College of Business and Innovation. Enrollment in honors courses is limited. Approximately 30 freshman students are admitted each fall to a program leading to receipt of the College of Business and Innovation honors citation upon graduation.

Departmental Honors

Currently enrolled University of Toledo students and transfer students may apply during their last semester in the college's lower division for admission to the College of Business and Innovation departmental Honors Program if they have completed at least 45 semester hours of college work and have earned a minimum GPA of 3.3 (4.0 scale). Students are admitted to the departmental honors program on a space-available basis.

Program Requirements

College of Business and Innovation College Honors Program

To be eligible for the College of Business and Innovation Honors Program citation, a student must:

1. Fulfill all requirements for an approved degree program within the college with a minimum overall GPA of 3.3.
2. Complete a minimum of 33 hours of honors courses, which must include the following list of courses. If a student already has non-Honors credit for a required course, another honors course will be substituted
3. Completion of an Honors Project or Thesis.

Lower Division Courses:

BUAD 1010 Introduction to Business
BUAD 2040 Financial Accounting Information
HON 1010 Readings Conference I
HON 1020 Readings Conference II
HON 2020 Multicultural Literatures: The North American Experience

Or

HON 2030 Multicultural Literatures: The Non-European World

Upper Division Courses:

BUAD 3010 Principles of Marketing
BUAD 3020 Principles of Manufacturing and Service Systems
BUAD 3030 Managerial and Behavioral Processes in Organizations
BUAD 3040 Principles of Financial Management
BUAD 4020 Senior Business Policy Forum

Plus a minimum of three hours earned by successful completion of one upper-division interdisciplinary seminar offered through the University Honors College.

College of Business and Innovation Departmental Honors Program

To be eligible for the College of Business and Innovation departmental Honors Program citation, a student must:

1. Fulfill all requirements for an approved degree program within the college with a minimum overall GPA of 3.3.

2. Complete a minimum of 15 hours of honors courses that must include the following:

Upper Division Courses:

BUAD 3010 Principles of Marketing

BUAD 3020 Principles of Manufacturing and Service Systems

BUAD 3030 Managerial and Behavioral Processes in Organizations

BUAD 3040 Principles of Financial Management

BUAD 4020 Senior Business Policy Forum

3. Completion of an Honors Project or Thesis.

Honors Retention Standards

To remain in good standing in the College of Business and Innovation Honors Program, a student must earn a minimum overall GPA of 3.0 by the end of the first year (typically at least 30 hours), 3.1 by the end of the second year (typically at least 60 hours), and 3.2 by the end of the third year (typically at least 90 hours), and make satisfactory progress toward fulfillment of the requirements for a degree “with honors” in the college.

Study Abroad Opportunities for Business Majors

Participation in Study Abroad allows our students to gain hands-on, practical international experience for today’s global marketplace. The University of Toledo has partnered with various consortia to include USAC (University Studies Abroad Consortium) ISA (International Studies Abroad) GlobaLinks Learning Abroad – AustraLearn / AsiaLearn / EuroLearn, and Semester at Sea. These partnerships allow UT students the opportunity to study at top-ranked, international universities throughout the world. Our most popular sites include Torino Italy, Bilbao Spain, Gold Coast Australia, Shanghai China, Luneburg Germany, and Puntarenas Costa Rica.

All College of Business and Innovation students, regardless of their intended major(s), are strongly encouraged to study abroad throughout their undergraduate degree program. Study abroad programs assist students in the development of academic, intellectual, personal, professional, and cross-cultural skills. Students may choose to study abroad over a traditional fall or spring semester, over non-traditional, intensive summer sessions, or throughout the full academic year. Students typically enroll in a combination of upper-level business courses and core curricular courses (taught in English). Elementary, intermediate, and upper-level foreign language tracks are also available; multiple courses may be completed in only one semester (particular programs determine language requirements). Foreign language proficiency prepares students for international internship opportunities.

Additionally, the College of Business and Innovation offers 10-day, faculty-led, international intensive immersion trips to Eastern Europe, Western Europe, and Asia throughout the academic year (to include summer semester). Intensive immersion opportunities vary from year to year.

COBI students will meet with the COBI Study Abroad Specialist, Deborah Krohn, who works in conjunction with the Director of Student Academic Success and the COBI department chairs to identify which study abroad courses will transfer into their specific degree program.

Please note that current students are also eligible to receive a free travel grant from The University of Toledo’s Center for International Studies and Programs Office. For more information on any of the

aforementioned programs, please contact Deborah Krohn, the College of Business and Innovation Study Abroad Specialist, at deborah.krohn@utoledo.edu or COBI Student Services at 419-530-2087 for a referral. Please note that early preparation (first-year planning) is imperative to successful study abroad opportunities!

Academic Policies

Class Rank

In the College of Business and Innovation, class rank is determined as follows:

Rank	Hours Earned
Freshman	0-29.99
Sophomore	30-59.99
Junior	60-89.99
Senior	90+

[UT Policy - Class Rank](#)

Academic Advising

Students receive advising concerning their academic program from the college professional advisers located in the Office of Student Retention and Academic Success in Savage Business Complex Room 3130. Students may self-select which of the COBI advisers to work with or the office will make recommendations based on need and adviser level of expertise. Advisers are cross-trained in a variety of areas so that someone is always available to answer specific questions. Appointments and walk-in hours are available throughout the year. Students may also email general questions to the staff through COBIadvising@utoledo.edu. Degree audits (DARS) are available in the office and online through Student Self-Service through the myUT portal.

Although advisers assist students as needed, *the final responsibility for fulfilling all degree requirements rests with the student.*

Degree Audit Requirement (DARS)

The Degree Audit Reporting System is an automated record that contains all of a student's graduation requirements and tracks that student's progress toward meeting those requirements. Degree audits are available to students upon request from the Office of Student Retention and Academic Success and online through the myUT portal Student Self-Service. Students are encouraged to keep current degree audits for their personal use and to discuss their degree audits with their academic advisers.

Declaring or Changing a Major and/or Minor

Forms for declaring or changing a college major and/or minor are available in the Office of Student Retention and Academic Success or online at <http://www.utoledo.edu/business/StuServ/Forms.html>

Transfer /Change of College Degree Requirements

All College of Business and Innovation degree requirements are the same for students whether or not they begin at UT or transfer into a program at some point.

Transfer courses will be evaluated by the Registrar's Office in conjunction with the College of Business and Innovation and other related colleges after the student has submitted official transcripts from all colleges/universities attended and has been accepted by the university. The student must complete the evaluation process before the end of the first term of attendance at UT.

For purposes of determining the UT GPA, grades from another institution do not transfer. The GPA will be based on the course work taken while enrolled in The University of Toledo. For students transferring into the College of Business and Innovation from another college within The University of Toledo, all undergraduate hours attempted and earned, as well as the GPA, will transfer. To qualify for the Bachelor of Business Administration degree, students must fulfill all College of Business and Innovation course and grade requirements.

Transfer students should note The University of Toledo will include all course work taken at all institutions of higher education in the calculation to determine if a student will graduate with honors. All college course work taken is computed in determining eligibility for graduation with honors, although no student will be awarded a level of honors above that indicated by The University of Toledo cumulative GPA. The University of Toledo requires a minimum of 30 semester hours of standard letter-graded courses from UT in order to qualify for graduation with honors.

Students must complete at least 50% of all business courses, as well as 50% of major/area of specialization courses and 50% of business minor courses at the University of Toledo.

Evaluation of Transfer Courses

The College of Business and Innovation Office of Student Retention and Academic Success (Student Services) assists in the evaluation of business coursework based on course equivalencies determined by the appropriate academic unit as coordinated through the Registrar's Office. In many cases, courses from other universities/colleges have been pre-approved for equivalency and will transfer with confirmation. Equivalent courses from AACSB-accredited schools automatically transfer. When automatic transfer does not exist for any of the CORE Business courses, it may be possible for a student to obtain course equivalency by petitioning to take a proficiency exam to validate the credit. Students should provide a course syllabus and/or any additional documentation with the petition. Students should contact COBI Student Services for additional information. The evaluation of non-business coursework is coordinated by the Registrar's Office and completed by the appropriate corresponding college.

Testing for Course Credit

In the College of Business and Innovation, there are two distinct areas of testing for credit related to COBI courses – (1) testing to validate transfer or native coursework that was not applied at the desired level of credit based on accreditation or other issues for credit and (2) testing based on knowledge earned outside the classroom as defined by the university policy on credit for prior learning.

Students who have transfer or native credit that was not initially accepted for course credit or course credit at the desired level, possibly based on accreditation issues, may pursue testing for credit based on departmental approval and test availability to hopefully validate their transfer credit to the desired level. In many departments, testing for credit is only allowed for COBI CORE courses designated by a "BUAD/Business Administration" prefix. A maximum of 50% of major or minor courses as well as 50% of all business courses may be taken as transfer credit. Some departments/majors have transfer agreements in place with other Universities that set additional conditions or procedures which supersede this general college policy.

Students who feel they have significant knowledge in a COBI CORE subject area may pursue a "testing for credit" option through university procedures*. COBI CORE subject areas are limited to BUAD courses and are not major specific. Courses in the AOT department are currently not subject to these limitations and are open to any testing procedures as approved by the university. Please see the Credit By Assessment Form located on the Registrar's Office website for additional information:

<http://www.utoledo.edu/offices/registrar/forms.html> [UT Policy - Credit for prior learning](#)

There are no fees associated with the validation of transfer course credit, but university fees do apply for other testing options. **All COBI testing procedures** are coordinated through the specific department chairs, the Office of Student Retention and Academic Success and the Dean's Office. Any test for a course may only be attempted once and not all courses are eligible for a testing option

Code of Student Academic Conduct and Student Academic Grievance Procedure

Issues related to charges of student academic misconduct or disputes as to final course grades, and the procedures for resolving such issues are set forth by the specific language of the COBI Code of Student Academic Conduct and the procedures for resolution of such issues in the COBI Student Academic Grievance Procedure. For non-College of Business course grievances and in situations where a student has exhausted COBI procedures but is not satisfied with the outcome, students are directed to the UT Grievance Procedure. COBI Procedural guidelines are located on the college's Web site at <http://www.utoledo.edu/business/COBI/COBICCD/COBIStudentResources.asp>

[UT Policy - Academic Dishonesty](#)

[UT Policy - Academic Grievance](#)

GPA Recalculation for Repeated Courses

Effective fall 2006, if a student repeats a UT course and receives a higher grade, a request to delete the original grade, as long as the original course grade was lower, can be made. Prior to fall 2006, if a student repeats a UT course and receives a grade of C (2.0) or higher, a request to delete the original grade, as long as the original course grade was a C- or lower, can be made. The request form is available in the Student Services Center. If the original grade was earned because of cheating or academic dishonesty, it will not be deleted. A maximum of 12 credit hours can be deleted by university policy. [UT Policy - GPA Recalculation for repeated courses](#)

Residency Requirement

To earn a BBA degree from the College of Business and Innovation, a student must complete at least 50 percent of business credits from the college as well as 50 percent of their major and minor course work. The senior year (final 30 semester hours) in the baccalaureate program must be taken in residence at UT by all business students. Under certain circumstances, appeals to the senior residency rule are approved for up to 15 semester hours. For associate degrees, the final 15 semester hours or a minimum 15 semester hours must be taken in residence at the University of Toledo. [UT Policy - Residency Requirement](#)

Additional Degrees / Course work

While students may return to complete additional course work or degrees after an initial bachelor degree is awarded, a second BBA will not be awarded if the initial degree was also a BBA or an equivalent degree in Business.

Multiple associate degrees may be awarded, but only one ATS, Technical Studies, degree will be awarded.

Academic Probation

When a student's cumulative GPA falls below 2.0, the student is automatically placed on probation. Students are recommended to reduce their enrolled hours and meet with an adviser to develop a plan of action to improve their GPA.

Academic Suspension

Academic suspension means a student is not eligible to enroll in courses from The University of Toledo or any other college/university for a minimum period of one semester. A student is subject to academic suspension if he/she falls below the minimum requirements or fails to make sufficient progress toward attainment of the degree. No course work taken at any other educational institution

during the student's suspension shall be accepted as transfer credit without approval. However, students may remove incompletes while under suspension.

UT Policy - Academic Standing/Suspension

University standards for required minimum GPA associated with attempted quality hours

- Minimum 1.00 GPA, after attempting 10-19 semester hours
- Minimum 1.50 GPA, after attempting 20-29 semester hours
- Minimum 1.70 GPA, after attempting 30-39 semester hours
- Minimum 1.80 GPA, after attempting 40-49 semester hours
- Minimum 1.90 GPA, after attempting 50-59 semester hours
- Minimum 2.00 GPA, after attempting 60 semester hours

Note: A student may be suspended if the student falls below a cumulative GPA of 2.0 for two consecutive semesters after attempting more than 60 semester hours.

Readmission

Suspended students cannot enroll at UT for at least one semester. A suspended student must submit an appeal in writing for readmission to the College of Business and Innovation Academic Standards Committee at COBIadvising@utoledo.edu. Students suspended for a second time cannot enroll at UT for at least one year. Appeals must be received at least one month prior to the beginning of the academic term.

Degree Requirements for the Bachelor of Business Administration (B.B.A.)

Grade and Hour Requirements

In order to earn a B.B.A. degree, students must complete a minimum of 125 semester hours of course work, with a minimum cumulative 2.0 GPA on a 4.0 scale. All General Education/University Core, lower division and upper division requirements must be satisfied. Students must earn a minimum of a C (2.0) grade in each course in the major/area of specialization, in the Communication requirement, and in each course in a business minor (if one is completed). The departmental chair has the prerogative of substituting an additional course in the area of specialization or minor, rather than requiring the student to repeat the course in which a grade below C was received. The student must earn a C or higher in the substituted course for it to satisfy the requirements of the specialization or minor.

Lower Division Curricular Requirements

Students earning bachelor degrees in all colleges and programs are required to complete 36 credit hours of courses that comprise the General Education/University Core Curriculum. The courses are distributed in the areas of English composition, humanities/fine arts, social sciences, natural sciences, mathematics and multicultural studies. Please see the general section of the University Catalog or your degree audit for more detailed information on the General Education/University Core Curriculum.

Lower Division courses that each student is required to take in the College of Business and Innovation, regardless of area of specialization, are identified below. Students must earn a minimum 2.25 GPA in the subset courses (*) to meet graduation requirements. Students must also earn a grade of “C” (2.00) or higher in their Executive Communication course.

BUAD 1000	Orientation for Business Students
BUAD 1010	Introduction to Business (*) (or course equivalent)
BUAD 1020	Microcomputer Applications (*) (or course equivalent)
BUAD 2000	Career Development I
BUAD 2030	Executive Communication Essentials (or equivalent) Grade of C (2.00) or higher (*)
BUAD 2040	Financial Accounting Information (*) (or course equivalent)
BUAD 2050	Accounting for Business Decision Making (*) (or course equivalent)
BUAD 2060	Data Analysis for Business (*) (or course equivalent)
BUAD 2070	Business Statistics and Analytics (*)
BUAD 2080	Global Environment of Business (*) (or course equivalent)

Upper Division Curricular Requirements

All students make formal application for admission to the upper division beginning one semester prior to the semester in which they earn 60 hours.

The core junior and senior years of the curriculum consist of the following upper division business requirements, an area of specialization, and either a business minor or business elective courses. Students must earn a minimum 2.25 GPA in the subset courses (*) to meet graduation requirements. Students must also earn a grade of “C” (2.00) or higher in all major and minor courses.

BUAD 3000	Career Development II
BUAD 3010	Principles of Marketing (*)
BUAD 3020	Principles of Manufacturing and Service Systems (*)
BUAD 3030	Managerial and Behavioral Processes in Organizations (*)

- BUAD 3040 Principles of Financial Management (*)
- BUAD 3050 Information Technology Management (*) Pending course number change to 2020)
- BUAD 3470 Legal and Ethical Environment of Business (*)
- BUAD 4020 Senior Business Policy Forum (*)

Listed below is a generic sample plan of study for all BBA majors. The first two years of the BBA is relatively the same for any major as all students complete the same set of core business courses and the same general education requirements.

Program of Study: BACHELOR OF BUSINESS ADMINISTRATION - Generic plan beginning with Math 1730							
Accrediting Body: Association to Advance Collegiate Schools of Business (AACSB) International Next Site Visit:							
Students accepted into the BBA should be academically prepared to be placed into MATH 1730, Calculus with Business Applications. Students placing into lower Math levels - MATH 1200 and/or 1320 are able to replace elective credits with these courses and still complete their degree within 125 hours.							
Students are required to successfully completed 125 semester credit hours with an overall grade point average of 2.0 or higher							
Students should consult their Degree Audit for coursework that fulfills elective course requirements in Major/Minor/General Ed areas							
Students who wish to complete a dual major or more than one major and one minor will be required to successfully complete more than 125 semester hours.							
Term	SUBJECT	NUMBER	Pre-requisite	COURSE TITLE	CR HRS	COURSE REQUIREMENTS	OBOR TRANSFER POLICY
First Term							
	BUAD	1000		ORIENTATION	1		
	BUAD	1010		INTRODUCTION TO BUSINESS	3	LD Subset GPA 2.25	
	ENGL	1110		ENGLISH COMPOSITION I	3		OTM-ENGLISH
	MATH	1730	ACT 22 or Math 1320	CALCULUS WITH APPS	5		IF COLLEGE ALGEBRA THEN OTM MATHEMATICS

				Total Earned Credit Hours	125		

Sample plans beginning with Math 1200 or Math 1320, possible prerequisites to Math 1730 based on placement, may be found on the COBI homepage. These plans may still be completed within the minimum 125 credit hours required for the BBA.

Requirements for areas of specialization and minors are identified by functional area in the following pages. Students in the College of Business and Innovation wishing to pursue a second area of specialization may count up to two relevant courses (6 hours) taken in their first specialization toward a second specialization. Relevance of the courses is at the discretion of the two departments. Such a program may require taking more than the minimum of 125 hours for the B.B.A. degree.

Programs of Study - BBA

Areas of Specialization / Majors

Students must take a minimum of 10 courses between their area of specialization/major and either a business minor, second specialization or other 3000/4000 level business electives. Courses in the area of specialization may consist of required and/or elective courses and an internship opportunity.

Students should consult their degree audit for specific degree and major requirements.

Students wishing to complete 2 COBI majors may only double count up to 2 courses in their majors.

While 3 majors are allowed, the DARS system cannot display 3 majors. Therefore it is a student's responsibility to notify their adviser prior to any advising appointment or questions regarding degree completion so that additional steps may be taken to access the correct information. Only one BBA will be awarded.

Accounting

Dr. Diana Franz departmental mentor

Accountants work as financial consultants who help their clients or employers find creative solutions to business problems. Accountants provide the necessary information and analysis companies need to become more effective and efficient. Accountants perform a wide range of services, requiring a broad-based skill set.

The department of accounting offers courses in the areas of financial accounting, management accounting, auditing, accounting systems and taxation. Completion of an accounting area of specialization leads to professional careers in public accounting, business and government and begins the preparation for the Certified Public Accountant (CPA), Certified Management Accountant (CMA) and Certified Internal Auditor (CIA) examinations.

The specialization in accounting is designed to enable students to advance more rapidly to positions of responsibility and leadership in their chosen fields. In the state of Ohio, all candidates taking the CPA exam must have completed 150 credit hours. Accounting career fields other than public accounting have not adopted the 150-hour requirement. Students should discuss additional CPA requirements with their Accounting faculty members.

The department of accounting offers a graduate degree, the MS in Accounting, which can be pursued after completion of the bachelor's degree.

Program Requirements

No junior-level accounting courses may be attempted until a student is admitted to the upper division and the Accounting major by the College of Business and Innovation Accounting Department.

Required Courses: 19 hours

ACCT 3110	External Financial Reporting I (4 hrs)
ACCT 3120	External Financial Reporting II
ACCT 3210	Individual Taxation
ACCT 3310	Accounting Information Systems and Controls
ACCT 3320	Internal Reporting
ACCT 4420	Auditing

Elective: Choose one of the following - 3 hours:

- ACCT 4130 External Financial Reporting III
- ACCT 4250 Taxation of Business Entities
- ACCT 4410 Governmental and Not-For-Profit Accounting

Students wishing to register for ACCT 3110 must meet the following prerequisites: a GPA of 2.750 or better in all introductory level college accounting courses, including a grade of C (2.0) or higher in BUAD 2040 and 2050 or equivalent courses, and an overall higher education GPA of 2.750 or higher in all prior college-level courses. A permit must be entered to allow a student to register for ACCT 3110.

Junior/Senior Year Sample Plan of Study:

Students must be accepted into upper division and ACCT 3110; Acceptance requires the completion of 60 semester credit hours of approved course, a minimum grade point average of 2.25 in the Lower Division Subset, minimum 2.75 GPA in BUAD 2040 + 2050 with no grade below "C" (2.00), plus a higher ed GPA of 2.75 or higher

Digital Marketing (formerly Electronic Commerce) –Irena Pentina, departmental mentor

The digital marketing specialization provides students with the managerial and technical skills for successful careers in the networked economy including Web design and maintenance as well as a study of business intelligence management in an e-commerce environment, including the use of data mining and warehousing tools for market analysis and business decision supports. These competencies are essential for business professionals in fields such as marketing, financial services, international business, purchasing, information systems, operations management and professional sales.

Program Requirements

Entrepreneurship, Family, & Small Business

Sonny Ariss, departmental mentor

Entrepreneurship can be viewed as a personal passion for success, the desire to operate your own business, and spread your own wings. Success in your own business can be an exhilarating experience, but success does not just happen; it takes knowledge, preparation and skilled application.

The major in entrepreneurship educates and prepares students to succeed in their own business, or to achieve enhanced success in an existing business. Several key disciplines are pursued within the major, including finance, management, communications, human resources, ethics and critical thinking. Graduates of the entrepreneurship major will be prepared to begin implementing their own business idea, acquire a franchise, or work for an established company seeking creative people to develop and manage new products.

Program Requirements

Required Courses: 18 hours

EFSB 3480 Entrepreneurial Finance
 EFSB 4590 Entrepreneurship and Small Business Management
 EFSB 4010 Growing Family and Entrepreneurial Businesses
 EFSB 4690 Innovation and Technology Commercialization
 EFSB 4790 Franchising
 or PSLS 3440 Professional Sales
 BLAW 3570 Laws of Structuring and Operating a Business

Additionally, EFSB 4940 - Internship, or a 3000/40000 level business elective is the 7th course in the major requirement.

Junior/Senior Year Sample Plan of Study:

Finance

Marc Simpson, departmental mentor

Finance is the management of money, banking, investments and credit. Finance majors gain an understanding of how to acquire, manage and invest corporate funds. They also study financial institutions, financial markets, security analysis and investments

For this area of specialization, students must earn a grade of C (2.0) or higher in BUAD 3040 as well as their FINA courses and complete a total of 7 courses/21 hours in the area of specialization. Neither FINA 2000 nor 3060 may count toward credit for the FINA major.

Program Requirements

Corporate Finance major –

Required Courses: 4 courses/ 12 hours

FINA 3480	Investments
FINA 4080	Intermediate Corporate Finance
FINA 4090	Financial Markets and Institutions

Select one required course from:

FINA 3890	Financial Modeling with Excel
FINA 4100	Security Analysis & Portfolio Management
FINA 4200	Fixed-Income Securities
FINA 4340	Derivatives, Securities & Markets
FINA 4670	Advanced Corporate Finance

Elective Courses: 3 courses/9 hours

FINA 3500	International Business Finance
FINA 3600	Risk Management
FINA 3890	Financial Modeling with Excel (if not selected as a required course)
FINA 4100	Security Analysis & Portfolio Management (if not selected as a required course)
FINA 4200	Fixed-Income Securities (if not selected as a required course)
FINA 4340	Derivatives, Securities & Markets (if not selected as a required course)
FINA 4480	Student Managed Portfolio – with departmental approval
FINA 4670	Advanced Corporate Finance (if not selected as a required course)
FINA 4900	Special Topics
FINA 4940	Finance Internship – with departmental approval

Additional FINA elective course options with departmental approval.

Junior/Senior Year Sample Plan of Study:

Financial Services

Marc Simpson, departmental mentor

Whereas finance is the management of money, banking, investments and credit, those in financial services take these skills further to communicate and advise customers about finance decisions. Financial markets are quickly changing by incorporating e-commerce and sales management into the field. Financial services majors focus more on the interpersonal side of finance to meet the needs as professionals in this rapidly changing environment. Often times, the workload of a financial service major is mostly self-determined.

The majors consist of 7 required and elective courses beyond BUAD 3040, to equal 21 hours. Neither FINA 2000 nor 3060 may count toward credit for the FINA major.

Program Requirements

Financial Services major –

Required Courses: 3 courses/ 9 hours

FINA 3480	Investments
FINA 4090	Financial Markets and Institutions
PSLS 3440	Professional Sales

Elective Courses: 4 course/12 hours

Recommended courses for Insurance and Financial Planning:

FINA 3600	Risk Management
FINA 3610	Life and Health Insurance
FINA 4890	Estate Planning
FINA 4900	Special Topics – Series 7

Additional elective options:

FINA 3660	Real Estate Principles (limited availability)
FINA 3670	Real Estate Valuation
FINA 3680	Real Estate Law Insurance & Taxes (limited availability)
FINA 3890	Financial Modeling with Excel
FINA 4100	Security Analysis
FINA 4200	Fixed-Income Securities
FINA 4340	Derivatives, Securities & Markets
FINA 4480	Student Managed Portfolio – with departmental approval
FINA 4940	Finance Internship – with departmental approval

Additional FINA elective course options with departmental approval.

Human Resource Management

Sonny Ariss, departmental mentor

Human resource managers are needed in every size and type of organization. They help attract, develop and retain the people who make the organization successful. Human resource managers also work with team-building, problem-solving and interpersonal communication talents.

UT's human resource management program teaches students about a wide variety of HR issues – selection, training, recruitment, compensation, benefits, legal issues, employee relations and safety. Human resource management is designed to prepare candidates to assume positions as human resource practitioners in domestic and international business organizations, hospitals, nonprofit organizations, and local, state and federal government agencies.

Program Requirements

Required Courses: 21 hours

- BLAW 3550 Legal and Safety Compliance
- HURM 3220 Human Resource Management
- HURM 4250 Performance Management for Individuals and Teams (MGMT 4250)
- HURM 4640 Benefits, Health and Wellness
- HURM 4650 Compensation
- HURM 4660 Planning, Selection & Recruitment
- HURM 4710 Training and Evaluation

International Business

Thomas Sharkey and Sam Okoroafo, departmental mentors

The international business area of specialization plays a key role in preparing future business managers for today's dynamic global marketplace. The program provides training for careers in small, mid-sized and large companies and government and international agencies with a global orientation, particularly multinational corporations, export-import firms, banks, transportation and logistics firms, and government and international agencies involved in international trade, finance and economic development.

Program Requirements

Required Courses: 12 hours

IBUS 3600 International Management
 IBUS 4360 Global Business Strategies
 MKTG 3140 International Marketing
 FINA 3500* International Finance

*Students may replace this course with MKTG 4220 with departmental approval.

Electives: Select any two – 6 hours

BLAW 3670 International Business Law
 IBUS 3150 Understanding Cultural Differences for Business
 MKTG 3260 Global Framework for E-Commerce
 MKTG 4220 International Sourcing, Logistics and Transportation
 PSLS 4500 International Sales Negotiation

Other courses subject to approval as electives, including study abroad courses and IBUS 4100.
 Plus IBUS 4940 or 3000/4000 level business elective as the 7th course in the major requirement.

Foreign Language Requirements for International Business Area of Specialization

Students with an area of specialization in international business must demonstrate foreign language proficiency by satisfying one of the following requirements:

- Completing four years of one foreign language in high school with a grade of B or higher in each course; or
- Completing a university-level fourth semester (2150 or Intermediate II) foreign language course; or
- Have a proficiency in a native language other than English.

Junior/Senior Year Sample Plan of Study:

Students must be accepted into upper division; Acceptance requires the completion of 60 semester credit hours of approved courses and a minimum grade point average of 2.25 overall and in the Lower Division Subset.

Operations & Supply Chain Management

Paul Hong, departmental mentor

Operations & Supply Chain Management specialization is designed for students who are interested in the revitalization and enhancing the competitiveness of America's industrial base or who want to pursue careers in the rapidly expanding service sector. Students will acquire the knowledge and skills to manage people and resources. Students are given a broad overview of operations from product design, process selection, TQM, production planning and scheduling, and will understand sourcing,

industrial marketing, logistics, transportation, quality, information systems, as well as emerging practices in supply chain management and e-commerce.

Program Requirements

Operations & Supply Chain Mgmt Required Courses: 9 hours (3 courses)

- OSCM 3340 Quality Management & Process Improvement
- OSCM 3610 Operations Planning and Control
- OSCM 3660 Strategic Sourcing

Elective Courses: 12 hours (4 courses)

- MKTG 3130 Supply Chain Management
- MKTG 4220 International Sourcing, Logistics, and Transportation
- OSCM 4250 Business Analytics – Techniques and Cases
- OSCM 4420 Service Operations Management
- OSCM 4760 Simulation Modeling and Analysis of Manufacturing/Service Systems
- OSCM 4940 Internship
- OSCM 4150 Supply Chain Analytics and Cases
- OSCM 4210 Project Management
- OSCM 4450 Business Forecasting
- OSCM 4980 Contemporary Topics in OSCM
- INFS 3780 Enterprise-wide System Management
- INFS 4680 Enterprise Systems Implementation and Integration
- INFS 4980 Contemporary Topics in INFS

Organizational Leadership and Management

Sonny Ariss, departmental mentor

The area of specialization in organizational leadership and management prepares students to enter a variety of organizations, both for profit and not-for-profit. Graduates of this program receive assessment and training in a number of areas that are crucial to a manager's success – planning, ethical decision-making, interpersonal skills, team-building, performance development and evaluation, conflict management, motivation and leading change.

Program Requirements

Complete the following courses: 21 hours

- HURM 3220 Human Resource Management
- HURM 4250 Performance Management for Individuals and Teams (formerly MGMT 4250)
- MGMT 3630 Conflict Management: Mediation and Negotiations (formerly HURM 3630)
- MGMT 3770 Ethics in Leadership and Management
- MGMT 4210 Leading and Managing Organizational Improvement
- MGMT 4330 Organizational Leadership and Management Practicum
- MGMT 4780 Leadership & Managerial Competencies

Junior/Senior Year Sample Plan of Study:

1872
2017 - 2018 Catalog

Students must be accepted into upper division; Acceptance requires the completion of 60 semester credit hours of approved courses and a minimum grade point average of 2.25 overall & in the Lower Division Subset.							
Fifth Term							
	BUAD	3010	Jr Status & ECON 1200	PRINCIPLES OF MARKETING	3	UD Subset GPA 2.25	TAG OBU 006

Professional Sales

Ellen Pullins, departmental mentor

In business, nothing happens until somebody sells something. Sales is the part of a firm that is responsible for generating the revenue. The sales force is the direct link between the firm and its customers. Professional salespeople consult with customers to understand their business, needs and problems, and offer specific solutions to each customer's situation. The professional sales area of specialization prepares students for distinguished careers in business-to-business selling.

Program Requirements

Required professional sales courses: 21 hours

PSLS 3080 Purchasing & Business Relationship Management
 PSLs 3440 Professional Sales
 PSLs 3450 Account & Territory Management
 PSLs 4710 Sales Force Leadership
 PSLs 4740 Advanced Sales
 MKTG 4540* Business Marketing

Or

PSLS 4500* International Sales Negotiation

*Select one from these two courses. Dual majors may also be able to utilize another course from their other major. Consult an adviser for more information.

PSLS 4940 Sales Internship

Recommended courses to fulfill General Education/University Core requirements:

COMM 1010 Communication Principles and Practices
 PHIL 1020 Critical Thinking
 PSY 1010 Introduction to Psychology
 SOC 1010 Introduction to Sociology

Minors

Business Minor or Business Electives for Business Students – 9 hours

As part of the 10 course required in the area of specialization requirement in the BBA degree, students complete 3 junior/senior level Business electives or a 3 courses toward an approved Business minor in addition to the 7 courses required in their major. A second Business minor may be completed with 9 additional hours.

The following minors are **ONLY** available for College of Business and Innovation students. The only exception to this is for engineering students in the BS Information Technology major. Since this is a shared program with the College of Business, students are treated as Business majors for the purpose of selecting a business minor. Students cannot duplicate credit in their minor, area of specialization and upper division core. The minor consists of three courses (9 hours), unless otherwise noted. Business minors for non-business majors are listed later in this section.

Accounting

Non-Accounting major Accounting courses are currently not being offered. Students who meet the eligibility requirements to enroll in Accounting major courses (minimum 2.75 higher ed GPA and 2.75 in BUAD 2040 + 2050 or equivalent courses), may select any 3 ACCT major courses to meet the requirements of an ACCT minor beginning with ACCT 3110.

Business Information Security (CyberSecurity)

BUAD 3050 (pending change to 2020) is a required pre-requisite course taken as part of the Business CORE

Required Courses:

INFS 3370 Business Data Communications
 INFS 3400 Principles of Information Systems Security
 INFS 4100 Business Intelligence using Big Data

Business Law

Complete any three of the following:

BLAW 3550 Legal & Safety Compliance Issues in Human Resource Management
 BLAW 3570 The Laws of Structuring and Operating a Business
 BLAW 3670 International Business Law
 BLAW 4570 Legal and Ethical Aspects of Managing Innovation and Technology
 BLAW 4580 Detection and Prevention of Deceptive Business Practices
 MGMT 3770 Ethics in Leadership and Management

Commercial Real Estate (course availability currently limited)

Required Courses:

- FINA 3660 Real Estate Principles, Practices and Finance
FINA 3670 Real Estate Valuation
FINA 3680 Real Estate Law, Insurance and Taxes

Digital Marketing (Electronic Commerce)

Required Courses:

- EBUS 3090 Doing Business Digitally
EBUS 3180 Web Design and Data Analytics

Elective: Choose one of the following

- EBUS 4040 Digital Business Intelligence
MKTG 3280 Internet Marketing
INFS 3380 Web Application Development I
EBUS 4150 Social Media Marketing (with dept. approval)

Enterprise Resource Management

BUAD 3050 (pending change to 2020) is a required pre-requisite course taken as part of the Business CORE

Required Courses:

- INFS 3780 Enterprise Wide System Mgmt
INFS 4100 Business Intelligence using Big Data
INFS 4680 Enterprise Systems Implementation and Integration

Entrepreneurship, Family, & Small Business

Required Courses:

- EFSB 4590 Entrepreneurship and Small Business Management
EFSB 4010 Growing Family and Entrepreneurial Businesses
EFSB 3480 Entrepreneurial Finance

With departmental approval, EFSB 4690 or 4790 may be used as a substitution in the minor – consult an adviser

- EFSB 4690 Innovation and Technology Commercialization
EFSB 4790 Franchising

Finance

Required Courses:

- FINA 3480 Investments
FINA 4080 Intermediate Corporate Finance
FINA 4090 Financial Institutions and Markets

Financial Services

Complete three of the following:

- FINA 3480 FINA 3660 FINA 4090 FINA 3600
FINA 3670 FINA 4870 FINA 3610 FINA 4100
FINA 4890 FINA 4900 (PSLS 3440 with dept approval)

Information Systems

Required Course (choose one):

- INFS 3250 Business Data Analysis & Reporting
INFS 3150 Business Application Development I

Electives (choose two):

- INFS 3150 Business Application Development I (if not taken as the required option)
- INFS 3250 Business Data Analysis & Reporting (if not taken as the required option)
- INFS 3370 Business Data Communications
- INFS 3400 Principles of Information Systems Security
- INFS 3770 Small Business Database Systems
- INFS 3780 Enterprise Wide Information Systems Management
- INFS 3980 Contemporary Topics in I.S.: such as Java Programming, Unix, Web Design
- INFS 4100 Business Intelligence using Big Data
- INFS 4300 Web Application Development II
- INFS 4320 Information Systems Planning and Outsourcing Management
- INFS 4620 Enterprise Database Systems

Insurance and Risk Management**Required Courses:**

- FINA 3600 Risk Management
- FINA 3610 Life and Health Insurance
- FINA 4890 Financial and Estate Planning

International Business**Select three courses, taking into consideration any prerequisites:**

- BLAW 3670 International Business Law
- FINA 3500 International Finance
- IBUS 3600 International Management
- IBUS 4360 Global Business Strategies
- IBUS 3150 Understanding Cultural Differences for Business
- MKTG 3140 International Marketing
- MKTG 3260 Global Framework for E-Commerce
- MKTG 4220 International Sourcing, Logistics and Transportation
- PSLS 4500 International Sales Negotiation

Management**Complete three of the following:**

- HURM 3220 Human Resource Management
- HURM 4250 Performance Management for Individuals and Teams (MGMT 4250)
- MGMT 3630 Conflict Management: Mediation and Negotiations MGMT 3700 Best Practices in Diversity Leadership
- MGMT 3770 Ethics in Leadership and Management
- MGMT 4210 Leading and Managing Organizational Improvement
- MGMT 4780 Leadership and Managerial Competencies

Marketing**Required:**

- MKTG 3850 Buyer Behavior and Relationship Management
- or
- MKTG 3880 Marketing Research and Data-Based Management

Electives:

- Select two courses (6 hours)
- MKTG 3140 International Marketing
- MKTG 3280 Internet Marketing
- MKTG 3690 Principles of Marketing Communication

MKTG 4540	Business Marketing
MKTG 3130	Supply Chain Management
MKTG 3260	Global Framework for E-Commerce
MKTG 3870	Advertising Strategy
MKTG 3910	Direct Marketing
MKTG 3920	Sports Marketing
MKTG 4120	Marketing Channels Management
MKTG 4220	International Sourcing, Logistics & Transportation
MKTG 4520	Advanced Market Analysis
MKTG 4570	Product & Pricing Management
MKTG 4980	Special Topics
MKTG 4990	Independent Study
PSLS 3080	Purchasing & Business Relationship Mgmt
PSLS 3440	Professional Sales
PSLS 4710	Sales Force Leadership

Operation & Supply Chain Management

BUAD 3020 is a required pre-requisite course taken in the Business CORE

Complete three courses from the following:

OSCM 3340	Quality Management & Process Improvement
OSCM 3610	Operations Planning and Control
OSCM 3660	Strategic Sourcing
OSCM 4150	Supply Chain Analytics and Cases
OSCM 4250	Business Analytics – Techniques and Cases
OSCM 4760	Simulation Modeling and Analysis of Manufacturing/Service Systems
and either	
MKTG 3130	Supply Chain Management
or	
MKTG 4220	International Sourcing, Logistics, and Transportation

Professional Sales:

Required:

PSLS 3440	Professional Sales
-----------	--------------------

Electives: Select two from the following

PSLS 3080	Purchasing and Business Relationship Management
PSLS 3450	Account and Territory Management
PSLS 4500	International Sales Negotiation
PSLS 4710	Sales Force Leadership
PSLS 4740	Advanced Sales
MKTG 4540	Business Marketing

Sustainability Minor

Beginning Fall 2017, The College of Business and Innovation and The University of Toledo will begin offering a Minor in Sustainability. This is an interdisciplinary minor combining courses from the College of Business as well as the College of Natural Sciences and Mathematics, the College of Engineering, and the College of Arts and Letters. The minor requirements are the same for any student regardless of what is listed as their “home” college. Because of this, the minor requirements are somewhat different from other minors in the College of Business.

Of the 15 credit hours (5 courses) required in the Sustainability minor, 12 credit hours (4 courses) must be unique to other courses in a student's degree program. This means that only one course may "double dip" as another requirement somewhere else in their degree program – be that a major, minor or other degree requirement. If more than one course naturally occurs as a requirement in their degree program, the student would need to select additional course(s) from the list of approved electives for the minor so that they achieve the 12 unique hours. Both the College of Business and a student's home college will review the minor requirements to certify completion for graduation.

If students would like additional information on the educational benefits of completing the Sustainability minor, please contact the following faculty experts:

Glenn Lipscomb, Ph. D Professor and Chair of Chemical and Environmental Engineering

Email: glenn.lipscomb@utoledo.edu

Office: NI 3054 Phone: (419) 530-8088 Fax: (419) 530-8086

Andrew Solocha, Ph. D Associate Professor College of Business & Innovation, Department of Finance

Email: andrew.solocha@utoledo.edu Office: ST 4010 Phone: (419) 530-2564 Fax: (419) 530-2873

Program Requirements – 5 courses – 15 hours

Required - 4 Courses - 12 hours

GNEN 1550 Sustainable Living

EEES 2010 Intro to Environmental Studies

BUAD 3500 Sustainable Business Practices

PHIL 3180 Environmental Ethics

Elective - 1 course - 3 hours – Select one from:

BUAD 3020 Principles Of Manufacturing & Service Systems

IBUS 4360 Global Business Strategies

CHEM 1100 Chemistry and Society

EEES 1150 Marine Biology

EEES 2150 Biodiversity

EEES 1010 Physical Geology

EEES 2400 Oceanography

EEES 1050 Geological Hazards & the Environment

EEES 1130 Down to Earth Environmental Sciences

EEES 1170 Microbes and Society

CHEE 4120 Biofuels

CIVE 4690 Sustainability Engineering

MIME 4410 Alternative Energy

MIME 4820 Sustainability Analysis & Design

ECON 3240 Environmental Economics

GEPL 1100 Environmental Geography

GEPL 3900 Environmental Planning

GEPL 4160 Patterns of World Development

Degree Requirements for the Bachelor of Science in Information Technology (BSIT)

Grade and Hour Requirements

The information technology (IT) program is a unique program offered jointly by the College of Engineering and the College of Business and Innovation. The program features a hands-on education leading to careers in the management of the technology infrastructure of organizations of all types and sizes.

In order to earn the B.S. degree, students must complete a minimum of 128 hours of course work, with a minimum cumulative 2.0 GPA on a 4.0 scale. All General Education/University Core requirements must also be satisfied. Since many of the courses offered through the College of Engineering are term specific, it is very important to do courses in sequence to avoid delaying graduation.

BACHELOR OF SCIENCE in Information Technology						
Students accepted into the BSIT should be academically prepared to be placed into MATH 1730, Calculus with Business Applications. Students placing into lower Math levels will need additional hours in order to fulfill degree requirements.						
Students are required to successfully complete a minimum 128 semester credit hours with an overall grade point average of 2.0 or higher						
This is a "shared" program with the College of Engineering. All requirements and transfer evaluations must be approved by both colleges.						
Professionally accredited by the Association to Advance Collegiate Schools of Business (AACSB) and the Accreditation Board for Engineering and Technology (ABET)						
Term	SUBJECT	NUMBER	Pre-requisite	COURSE TITLE	CR HRS	OBOR TRANSFER POLICY

Bachelor of Applied Organizational Technology (BAOT)

The applied organizational technology program is designed for students who already have a technical associate's degree. These students can complete a bachelor's degree in the equivalent of two additional years of full-time study at The University of Toledo including a business focus along with an individualized plan to meet career goals.

Grade and Hour Requirements

In order to earn the B.A.T. degree, students must complete a minimum of 120 hours of course work, with a minimum cumulative 2.0 GPA on a 4.0 scale. The total hours include transfer hours as well as hours completed at The University of Toledo. Requirement categories are listed below. Students must complete a minimum of 30 hours at the University of Toledo to meet senior residency requirements. Additional grade requirements are listed below. All General Education / University Core requirements must also be satisfied.

Degree requirements

Because each Associate Degree may contain courses that transfer in to a variety of requirements in the program, degree requirements are evaluated on an individual basis. Because of this, it is impossible to list a plan of study for the remaining requirements. Below is a listing of the overall degree requirements prior to transfer evaluations.

1. General Education/University Core (36 credit hours) including:

English Composition	6 hrs
Core Math (excluding Statistics)	3 hrs
Humanities/Fine Arts	6 hrs
Social Science	6 hrs
Natural Sciences (including lab)	7 hrs
Multicultural:	
Diversity of U.S.	3 hrs
Diversity - non-U.S.	3 hrs

2. General Business Focus

A. Prerequisites:

BUAD 2060 or statistics equivalent	3 hrs
BUAD 1020 or computing equivalent	3 hrs

Eighteen (18) hours are required beyond the prerequisite courses above. A grade of C (2.0) or better is required in each of the following courses.

B. Required Foundation Course:

BUAD 2040**	Financial Accounting Information	
OR		
ACTG 1040**	Principles of Financial Accounting	3 hrs

C. Additional Requirements:

Select three (3) courses from the following (one must be 3000 level to avoid additional course work):

BUAD 1010	Introduction to Business	3 hrs
BUAD 2030	Executive Communication Essentials	3 hrs
BUAD 2050**	Accounting for Business Decision Making	3 hrs
BUAD 2070**	Business Statistics and Data Analytics	3 hrs
BUAD 2080	Global Environment of Business	3 hrs
BUAD 3010**	Principles of Marketing	3 hrs
BUAD 3020**	Principles of Manufacturing and Service Systems	3 hrs
BUAD 3030	Managerial and Behavioral Processes in Organization	3 hrs
BUAD 3040**	Principles of Financial Management	3 hrs
BUAD 3050	Information Technology Management	3 hrs
BUAD 3470	Legal & Ethical Environment of Business	3 hrs

Select two (2) additional courses from the eight listed above or select two courses at the 3000- or 4000-level from ACCT, FINA, INFS, MGMT, EFSB, IBUS, EBUS, OSCM, HURM, PSLs, BANS, BLAW, or MKTG to complete the additional requirements. (Prerequisites for selected courses must be fulfilled.)

Prerequisites for an MBA can also be fulfilled by completing the indicated (**) courses with a minimum grade of C (2.0).

3. Upper Level Courses

24 hours must be taken as upper division courses (numbered 3000-4000) from a college outside the College of Business and Innovation at UT. All prerequisites must be met. Some course exceptions to meet career goals may be considered upon appeal to the Dean's Office through your academic adviser in COBI Students Services.

- 12 hours of the 24 upper level hours **must** be from the Colleges of Arts & Letters and Natural Sciences and Mathematics.
- An additional 12 hours of upper level hours must come from any college **except** the College of Business and Innovation at UT.
- Students have the opportunity to complete a minor in the Colleges of Arts & Letters and Natural Sciences and Mathematics with the proper selection of classes.

4. Additional courses/ credit hours may be necessary to make up the difference toward the minimum 120 hours required for the degree program.

Additional Notes:

- Approximately 60-66 hours will be transferred in from an Associate Degree. This may include some General Education core and business classes as well as technical courses. These technical courses will be at the 1000-2000 level and credit will be counted under Additional Courses.

Students must meet with their academic adviser to create an individualized plan of study due to the fact that courses coming in from their associate degree will vary.

Programs of Study – Associate Degrees

In order to earn any associate degree, students must meet all requirements and complete a minimum of 60 semester hours of course work, with a minimum cumulative 2.0 GPA on a 4.0 scale. A minimum of 15 hours must be complete through the University of Toledo. While multiple associate degrees may be completed (with the exception of only one ATS degree), each subsequent associate degree must include a minimum 15 credit hours that were not previously used toward another degree program. All of the associate degrees are offered in a distance learning/online format. Many of the major courses are not available in-person. Please consult the Office of Student Retention and Academic Success and Fall 2016 Degree Audits for additional information.

Accounting Technology – minimum 60 hours

Accounting is often called the language of business. Business owners, executives, managers and other decision-makers rely on accountants to give them relevant, understandable financial information. In today's rapidly changing environment, accountants must be prepared to deal with increasingly complex concepts and accounting principles

Associate of Applied Business in Accounting Technology							
Students are required to successfully completed 60 semester credit hours with an overall grade point average of 2.0 or higher							
Students should be academically prepared to be placed into MATH 1180 or 1200 at a minimum.							
Students should consult their Degree Audit for coursework that fulfills elective course requirements in General Ed and elective areas							
Students may use this associate degree to go on to the BAOT for 2+2 bachelor degree completion

Business Management Technology – minimum 60 hours

Did you know that many entrepreneurs do not possess the management skills necessary to keep their businesses operating? Business management technology prepares students for supervisory or management positions in the service and production industries. This associate degree program provides students with the necessary skills for small business ownership. Business management technology professionals are trained in the areas of planning, organizing and supervising. In addition, students gain experience in accounting and computer applications, which are vital subjects in the modern workplace.

Technical Studies - minimum 60 hours

COBI's interdisciplinary program in technical studies is useful for students who want to gain technical expertise in more than one discipline. Students must have an approved educational plan in order to be eligible for any A.T.S. program. Students explore their interests in a variety of technical areas, achieve specific career goals and have the opportunity to apply their credits to a bachelor's degree in Applied Organizational Technology through The College of Business and Innovation.

Degree Requirements minimum 60 hrs.

English Composition	6 hrs.
General Education/University CORE Requirements	15 hrs.
<ul style="list-style-type: none"> including Humanities, Social Science, Natural Science, Multicultural and Math areas 	
Technical Field #1	15 hrs.
Technical Field #2	12 hrs.
Occupational Objective/additional Technical Competence	12hrs.

Technical Fields and Occupational Objectives and an individualized plan of study must be planned in coordination with an academic adviser in the College of Business and Innovation.

Sample Plan of Study Technical Studies – Graphic & Web Design

Associate of Technical Studies Focus Graphic Design & Web Design							
Students are required to successfully completed 60 semester credit hours with an overall grade point average of 2.0 or higher							
Students should be academically prepared to be placed into MATH 1180 or 1200 at a minimum.							
Students should consult their Degree Audit for coursework that fulfills elective course requirements in General Ed and elective areas. The ATS degree is individualized with this popular focus being a possible direction for completion. The focus is not specified in the degree.							
Students may use this associate degree to go on to the BAOT for 2+2 bachelor degree completion

Business Minors for Non-Business Students at The University of Toledo

The College of Business and Innovation offers a general minor and eight specialty minors (accounting;; electronic commerce/information technology; entrepreneurship, family and small business; international business; marketing; professional sales, operations/supply chain management and sustainability) for students in non-business programs at The University of Toledo. These minors are recommended for students who want to enhance their academic programs with business-related course work. Students taking courses in the business minor must meet course prerequisite requirements. These minors are designed specifically for non-business students and should not be confused with the individual minors offered for College of Business and Innovation students. The one exception to this is the new Sustainability minor which is interdisciplinary and is the same for business as well as non-business majors. Students can complete a maximum of two minors and may take no more than one course that fulfills the requirements of both minors. Students should contact advisers in the College of Business and Innovation for additional details about the course requirements of business minors and contact advisers in their home college to determine how the business minor will fit into their degree curriculum.

General Minor for Non-Business Students

Requirements for the General Minor in Business for Non-Business Students

1. A minimum cumulative GPA of 2.25 is required in the following prerequisite courses or their equivalents. A student who does not meet the minimum standards but has at least a cumulative 2.0 in the prerequisites will be reviewed by the College of Business and Innovation on an individual basis.

Economics

Select from ECON 1150** and 1200**, MIME 2600 or equivalent

Mathematics

Select from any UT CORE Math course except statistics

Computing

Select from BUAD 1020, CMPT 1100 or approved equivalent

Business Statistics

Select from BUAD 2060**, MATH 2630, 2600, or equivalent

2. Eighteen hours are required beyond the prerequisite courses above. A grade of C (2.0) or higher is required in each of the following courses, at least one of which must be at the 3000 level to avoid additional course work:

Required Foundation Course

BUAD 2040** Financial Accounting Information

OR

ACTG 1040** Principles of Financial Accounting

Additional Requirements

A. Select 3 courses from the following with at least one course at 3000 level to avoid additional coursework. Approved associate degree equivalents courses are shown in (). (Prerequisites for selected courses must be fulfilled.) :

BUAD 1010 Introduction to Business (or BMGT 1010)

BUAD 2050** Accounting for Business (or ACTG 1050)

BUAD 2070** Business Statistics and Data Analytics

BUAD 2080	Global Environment of Business (or BMGT 2110)
BUAD 3010**	Principles of Marketing (or MARS 1010)
BUAD 3020**	Principles of Manufacturing and Service System
BUAD 3030	Managerial and Behavioral Processes in Organizations
BUAD 3040**	Principles of Financial Management
BUAD 3050	Information Technology Management (pending change to 2020)
BUAD 3470	Legal & Ethical Environment of Business (or BMGT 2310)

B. Select **two** additional 3000 or 4000 level courses from the 6 listed above or select two courses at the 3000 or 4000 level from ACCT, FINA, INFS, MGMT, EFSB, IBUS, EBUS, OSCM, HURM, PSLs, BANS, BLAW or MKTG to complete the additional requirements. (Prerequisites for selected courses must be fulfilled.)

C. At least three of the five courses selected to fulfill the additional minor in business requirements must be at the 3000 or 4000 level.

Prerequisites for an MBA can also be fulfilled by completing the indicated (**) courses with a minimum grade of C (2.0).

Accounting Minor for Non-Business Students

Program Requirements

The accounting minor for non-business students requires 16 credit hours. A grade of C (2.0) or higher is required in all courses used to fulfill the accounting minor requirements. Prerequisites for all courses must be fulfilled.

Required Course: 4 hours

ACCT 3110 External Financial Reporting I

ACCT 3110 Prerequisite: Junior standing; a higher education GPA of 2.750 or higher and a 2.750 or higher GPA in BUAD 2040 and 2050 (or equivalent courses), which must include a grade of C (2.0) or higher in BUAD 2040 and 2050 (or equivalent courses).

Electives: Select four courses from the following: 12 hours

ACCT 3310 Accounting Information Systems and Controls
Prerequisite: ACCT 3110 with a grade of C (2.0) or better

ACCT 3210 Individual Taxation

Recommended for supply chain management track: MKTG 3130, EBUS 3090, OPMT 3660 and 4220, and one other course from above list

Sustainability Minor

Beginning Fall 2017, The College of Business and Innovation and The University of Toledo will begin offering a Minor in Sustainability. This is an interdisciplinary minor combining courses from the College of Business as well as the College of Natural Sciences and Mathematics, the College of Engineering, and the College of Arts and Letters. The minor requirements are the same for any student regardless of what is listed as their “home” college. Because of this, the minor requirements are somewhat different from other minors in the College of Business.

Of the 15 credit hours (5 courses) required in the Sustainability minor, 12 credit hours (4 courses) must be unique to other courses in a student’s degree program. This means that only one course may “double dip” as another requirement somewhere else in their degree program – be that a major, minor or other degree requirement. If more than one course naturally occurs as a requirement in their degree program, the student would need to select additional course(s) from the list of approved electives for the minor so that they achieve the 12 unique hours. Both the College of Business and a student’s home college will review the minor requirements to certify completion for graduation.

If students would like additional information on the educational benefits of completing the Sustainability minor, please contact the following faculty experts:

Glenn Lipscomb, Ph. D Professor and Chair of Chemical and Environmental Engineering

Email: glenn.lipscomb@utoledo.edu

Office: NI 3054 Phone: (419) 530-8088 Fax: (419) 530-8086

Andrew Solocha, Ph. D Associate Professor College of Business & Innovation, Department of Finance

Email: andrew.solocha@utoledo.edu Office: ST 4010 Phone: (419) 530-2564 Fax: (419) 530-2873
