Advanced Level Policy

The University of Toledo requires that all admitted international students have enough ability in the English language to benefit from their program of study. For this reason, all international students must meet a language requirement on the Test of English as a Foreign Language (TOEFL pBT) or the Accuplacer.

Students who study at the A.L.I. may show their ability to succeed in the university by doing well in their courses and thus may gain admission with less than a 500 PBT TOEFL. Most students need to study for two terms (one semester) in the Advanced levels, but exceptional students can be ready after only one term. The following requirements must be met by an A.L.I. student with a TOEFL score less than 500 PBT in order to attend The University of Toledo as a full-time undergraduate student:

1. Admission into an academic program at UT
2. Full-time enrollment in A.L.I. at the Advanced 2 level completed with 3.0 (B) GPA at A.L.I. with no grade below a C (2.0).
   - With minimum Accuplacer scores in the particular track (S/L, GR, R/W)

OR

1. 3.5 GPA in A.L.I. courses in the Advanced 1 level with no grade below a C (2.0)
   - A minimum TOEFL score of 450 pBT (achieved when or before grades are earned) or corresponding Accuplacer score.
     - minimum section score in Reading: 43 pBT
     - minimum section score in Listening: 43 pBT

3. 85% attendance (including labs) for the full semester for which the student is enrolled
4. Approval of A.L.I. Academic Review Committee
