How to apply for an Education Abroad Program

Step 1

*Preferably using Mozilla go to https://educationabroad.utoledo.edu*

-To find a program simply click program search and you'll be directed to the world map.

Step 2

After clicking your desired location you should be directed to a screen that looks similar to the one below

-After reading the program details Click apply.
Step 3
If you are a UT student or staff member use your UTAD credentials
- select the term for which you would like to study abroad
- You will see a screen similar to this one below
- All check boxes will need to be completed in order to process your application

Step 4
- Print off all forms that need to be submitted under the materials section and submit them to the Education Abroad Office

Step 5
- Contact the education abroad office and set up an appointment with an advisor
