Alice H. Skeens
Outstanding Woman Award

NOMINATION FORM 2018

The University Women’s Commission is now accepting applications for its annual The University of Toledo Outstanding Women Awards. All women involved in the University community may be nominated. Past award winners are ineligible. Nominees are evaluated on the following criteria:

- Exceptional contribution and achievement
- Involvement in the University community
- Positive attitude toward responsibilities
- Active support of Women’s issues
- Longevity (minimum of five years)

Each nomination must include:

- This complete form.
- Letter of recommendation from the nominator addressing why he/she believes the nominee is outstanding.

The documentation provided will form the basis for evaluation. The nominee’s achievements are more important in the evaluation than the number of nominations received. Supporting material will be requested from the nominated individuals. Recipients are recognized at the Annual Spring Awards Luncheon April 11, 2018, 11:30 a.m. - 1:00 p.m. in Savage Arena, Grogan Room. Questions about nominations and past award winners should be directed to Kelly Andrews 419-530-2810.

Please attach letter of recommendation. Nominations must be received by March 16, 2018.
