**About the UWC**

**Mission:**
To provide a support system for women and to serve as a network of alliances for all women on the University campuses.

**History:**
A presence at the University since the mid-1970s, the UWC was formally established in 1981 in the interest of offering women a forum for providing and obtaining assistance in career advancement and serving as a locale where women could meet to discuss and share information on issues and concerns of common interest.

**Goal:**
To improve the status of women at The University of Toledo by furnishing them with role models and mentors, increasing their visibility within the university community, and providing them with support for educational and professional endeavors.

**Past Achievements:**
- Established the Apple Tree childcare facilities
- Recognized 141 Outstanding UT Women
- Established professional stipend awards in 2005

**Board Meetings:**
Board meetings take place in Savage Arena, 4th floor Conference Room, on the 4th Tuesday of each month at 12:30 p.m., and are open to all UWC members.
