Start of the Semester Instructor Checklist

1. Create Account
   - Visit your Learning Management System and access your registration link to create an account.

2. Download Software
   - Sign into your account and click on the Downloads tab to get the most recent version of our software.

3. Order Clickers
   - Let your campus bookstore know that you will be using Turning Technologies clickers.

4. Request Instructor Kit
   - Fill out an order form to request an instructor kit. The kit includes a receiver and a clicker.

5. Check Receiver
   - Standard (64) and storage (63) Turning Technologies receivers are recommended for optimum use of TurningPoint. You’ll be prompted to update your receiver for use with the latest version of software.

6. Update PowerPoint Files
   - Save your PowerPoint files in the most current version of the program to seamlessly start using TurningPoint. Click here for instructions.

7. Understand Your Roster
   - Your roster will look a little different than in previous versions of TurningPoint. Review this document to learn more about the updates.
