“Even if someone doesn’t think they will go that route professionally, there are so many things I learned that I can apply to my life and family. I find it reassuring to know what to expect as we age and how to handle situations.” —Former Student

The University of Toledo’s Center for Successful Aging is committed to providing quality educational and research services to older adults and their families. To learn more about the Center for Successful Aging, please visit our Web site at: utoledo.edu/depts/csa

The University of Toledo has a strong commitment to the principle of diversity and, in that spirit, seeks a broad spectrum of candidates including women, minorities and people with disabilities. EEO-M/F/V/D Rev 4/2002
ONLINE GRADUATE CERTIFICATE IN
Contemporary Gerontological Practice

Do you...

- Want a better understanding of the unique needs and strengths of older adults?
- Have a desire to increase your knowledge about funding opportunities to support innovative programs for older adults?
- Aspire to enhance your current credentials or develop expertise in gerontological practice?
- Have an active life and find it difficult to take traditional, on-campus graduate courses?

If you answered yes to any of these questions, the Graduate Certificate in Contemporary Gerontological Practice may be for you!

THE GRADUATE CERTIFICATE PROGRAM IS:

- Offered online
- Designed to provide knowledge about contemporary issues in gerontology and geriatrics
- Designed to prepare individuals for working with older adults and their families in a health-care environment.

FINANCIAL ASSISTANCE
There are many ways to help you afford your education. Check with your employer about tuition assistance programs. Search the Web for scholarship opportunities. Or visit one of the University advisers to discuss financial assistance opportunities.

Requirements
Students are admitted for fall or spring semester. Application deadline is June 15 for fall admission and November 1 for spring admission. To be considered for admittance into the program, a candidate must:

- Hold a bachelor's degree from an accredited college or university with a minimum 3.0 undergraduate grade point average. Official transcripts are required.
- Submit two online letters of recommendation.
- Submit a completed online application form and the accompanying application fee.

Students who are currently enrolled in a graduate program at The University of Toledo may apply to the Graduate Certificate Program by:

- Submitting an online application form and two online letters of recommendation.

The student must be in good standing in his or her current degree program. Information regarding the application process can be obtained from:

or download from: utoledo.edu/depts/csa/gradcertificate.html

“I had a wonderful experience and I am a better PA for participating in the program. It was great to work with other fields too (e.g. OT, PT, etc…). Interdisciplinary work benefits everyone - helps to create a “team” approach to health care!”
—Former Student
