Details:

On 10/30/2013 just before 8:00 PM, UTPD issued an alert in regard to a possible armed robbery near McComas Village on the Main Campus. Upon further investigation UTPD determined that no robbery had occurred at that time; however, a male suspect reportedly brandished what was described as a handgun to students near a McComas Village smoking hut. A UT Police Officer patrolling in the area subsequently pulled up to the scene whereby he was flagged down by students reporting the suspect.

A suspect was developed by UTPD based on witness reports and subsequently UTPD arrested VERNON WILLIAMS, 32 years of age, of Toledo, Ohio. WILLIAMS is not a student at The University of Toledo.

WILLIAMS was booked into the Lucas County Justice Center by UTPD and charged with 'Carrying a Concealed Weapon' (Fourth Degree Felony) and 'Aggravated Menacing' (Fourth Degree Felony). The case remains under investigation and additional charges may be filed.
