

HSC Tunnel System Showing Buildings and Parking Lots

Welcome to the University of Toledo's Health Science Campus

To save some time and frustration in finding a parking space, please consider parking in the lots below and utilizing the HSC Tunnel System (Map shown on back).

Lot 46

- Go to Dana Center elevator and take it to Basement Floor
- Follow signs to Dowling Hall unless there is a directional sign for your building.
- From Dowling you can reach your building by following the directional signs in the hallways.

Lot 44

- Take the pedestrian bridge to Mulford Library
- Once in Mulford Library follow the directional signs in the hallways to your building destination.

Helpful Facts and Tips about Parking

- Please make sure to allot plenty of time to walk to your destinations.
- Lots 40, 41 and 48 are for Patient/Visitor parking. Other parking areas have areas for Patient/Visitors parking marked by signs on the light posts.
- Lot 42 – Employee parking only
- Lot 42A – Special sticker needed for this parking lot.
