Safety Tips for the Holidays

1) Slow down on the road, consider the weather and road conditions and wear your seatbelt. We want you to get home safely.

2) Students living off campus should draw curtains and close blinds.

3) Take all valuables with you especially all electronic devices – i.e. lap tops, MP3 players, game systems.

4) Stop your mail.

5) Be sure doors and windows are secure.

6) When returning, do not advertise new merchandise.

7) Do not advertise vacation plans over social media.

8) Ask a trusted neighbor to watch over your house and report anything unusual.

9) When shopping – place valuables in the vehicle trunk and use secure websites when purchasing online.

10) If alcohol is part of your holiday plans, make sure a designated driver is used. NEVER drink and drive.
