Name: _______________________________
Title: ______________________________
The above employee has completed the Occupational and Medical History for Research Animal Contact Form. The form was reviewed by a Licensed Health Care Provider.

Licensed Health Care Provider
## Medical Surveillance Program

### Exposure Profile

*Designed for Persons Working with Animal at the University*

### GOALS

The following information is designed to help you assess your own risk and avoid potential health problems associated with animal exposure and potential hazard exposure.

This questionnaire is designed to detect early symptoms of illness due to animal and hazard exposures and provide medical consultation. Based on the information, you may be contacted by Occupational Medicine for further follow-up.

**Occupational Medicine for further follow-up:**
