# My Course Menu Disappeared
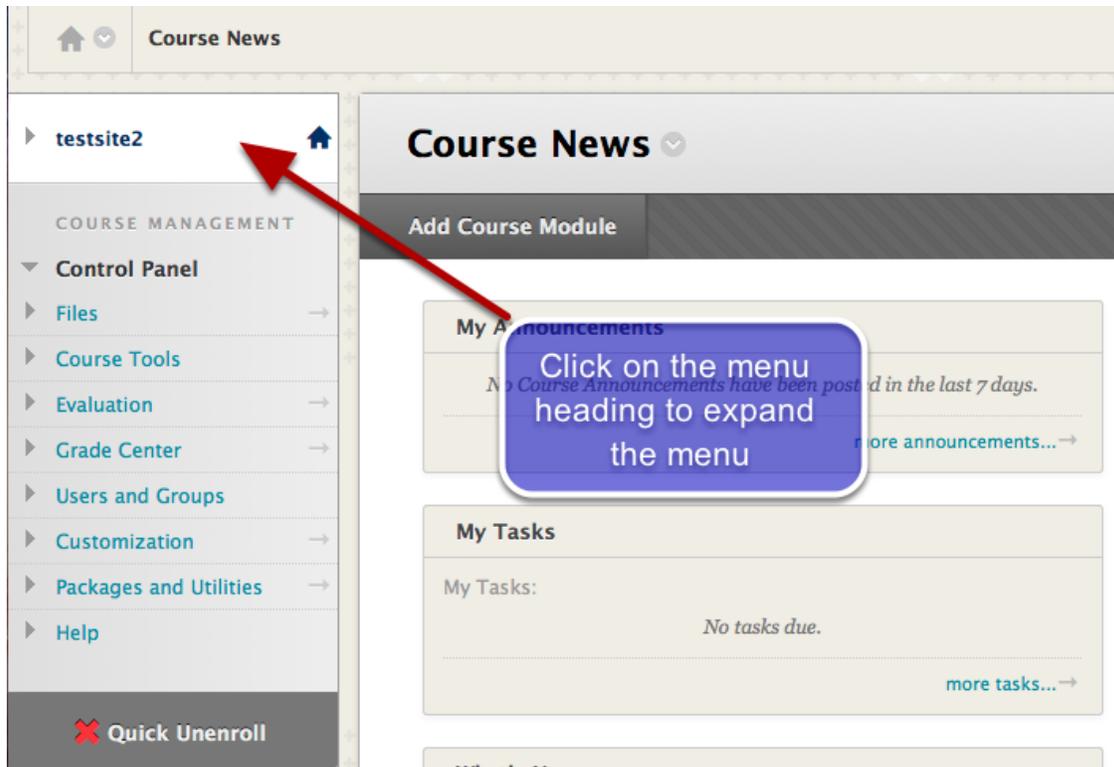

This lesson will demonstrate how to reveal a hidden course menu

Course Menu is Hidden

If a student or the instructor turns off the left course menu in one course, the menu is automatically turned off in other courses. To show the course menu, click on the show menu button (a rounded tab with an arrow) as illustrated in the image above.

Course Menu is Collapsed

If a student or the course instructor clicks the menu heading the menu will collapse. To show the menu, click the menu heading again to expand it as illustrated in the image above.
