Attention All Computer Users

In order to use the computers in the College of Health Science and Human Services you must have your UTAD account activated. If you have never activated your UTAD account follow these steps:

- Hit control + alt + delete
- Type `myutaccount` into the place for the user name
- Leave the password field blank and make sure the Domain says UTAD
- Click OK

- Click OK when the security alert comes up
- Once you are logged in, a page will come up that asks for your student ID and Birthdate (make sure you follow the format of the examples given)
- Click find account
• Click Activate Your UTAD Account

• Read the policy and click I agree
• After this, follow the instructions on the screen to finish setting up your account
• When finished click done and you will be logged out of this account
• Click control + alt + delete again
• Log into the computer using the username and password you just created
