**Standard Operating Procedure**

Specific protocols must be implemented immediately in the event that the TB Isolation fan fails.

**Purpose**

To insure timely response and to limit contamination.

**Procedure**

Upon receiving alarm of TB fan failure, immediately contact the following areas and individuals:

1. Nursing Supervisor on call through operator.
2. Sandra Hensley at extension 5006, Pager 419-218-3744
3. Mike Valiglosky at extension 4521, cell 419-266-5491, Pager 419-218-4579
4. See attached chart
