Subject: **Legislation Pertaining to Higher Education in Ohio's Budget Bill**

---

There is considerable language in Ohio's budget bill (Substitute House Bill # 153) that relates to higher education and does not necessarily have anything to do with finances.

Attached are pages from the bill that deal with the following:

- Faculty Workload
- Charter Universities
- Choose Ohio First Scholarships
- Three-Year Degree
- Interactive Distance Learning
- Remediation and Uniform STEMM Standards

I would remind everyone that these items are in the budget bill, which means that they probably will be approved. I doubt that they will be amended much less removed unless Chancellor Petro has a problem with one or any of them. That is probably unlikely.
