Based on the information you provided on your 2013-2014 Free Application for Federal Student Aid (FAFSA), the Office of Student Financial Aid is requesting additional information to verify your unaccompanied homeless youth status. Please review and answer the following questions. If you answer "Yes" to any question, attach the required documentation listed below that question.

- **"Unaccompanied"** means you are not living in the physical custody of your parent or guardian. (Simply choosing to move out of your parents' household does not qualify as unaccompanied status.)
- **"Homeless"** means lacking fixed, regular, and adequate housing.
- **"Youth"** means you are 21 years of age or younger, or you are still enrolled in high school as of the day you signed your 2013-2014 FAFSA.

### At any time on or after July 1, 2012, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?

### At any time on or after July 1, 2012, did the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development (HUD) determine that you were an unaccompanied youth who was homeless?

If "Yes," you are required to obtain signed documentation from the director or designee of the facility on their letterhead stating that you were an unaccompanied youth who was homeless.

### At any time on or after July 1, 2012, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or was self-supporting and at risk of being homeless?

- [ ] Yes
- [ ] No

If "Yes," you are required to obtain signed documentation from the director or designee of the runaway or homeless youth basic center or transitional living program on their letterhead stating that you were an unaccompanied youth who was homeless or was self-supporting and at risk of being homeless.

If you answered "No" to all of the questions above or you are not able to provide the documentation listed, you are considered to be a dependent student. You must add parent information and a parent signature on your 2013-2014 FAFSA.

**However, if you believe you should be considered an independent student due to an extenuating circumstance, please review the 2013-14 Dependency Appeal available at [http://www.utoledo.edu/financialaid/forms.html](http://www.utoledo.edu/financialaid/forms.html) for other possible situations.**
