

Financial Aid Satisfactory Academic Progress PLAN OF STUDY

Students receiving federal financial aid are required to make Satisfactory Academic Progress (SAP) toward the completion of a degree program. The federal financial aid SAP policy requires completion of a degree within 150% of the credit hours required to complete the program. For example, a degree program that requires the completion of 124 credit hours must be completed within 186 attempted hours ($124 \times 1.50 = 186$). A review of your record indicates that you have exceeded the maximum allowable attempted hours for your degree level; therefore, your eligibility for federal financial aid is being denied at this time.

To continue to receive federal financial aid at The University of Toledo, you need to take the following steps:

- Complete the Plan of Study (POS) on the reverse of this page. **The POS must list all of the REQUIRED COURSES needed to complete the remainder of your CURRENT degree program.**
- Return the POS, fully completed, to the Office of Student Financial Aid.
- Register **ONLY** for the courses listed on the POS.

We will review your POS within approximately five (5) business days from the date it is received in our office. You will receive a written response to your POS that will indicate if your federal financial aid eligibility is or is not being reinstated. If reinstated, you will be sent a FINANCIAL AID **SAP APPEAL APPROVAL NOTIFICATION** and a FINANCIAL AID **SAP CERTIFICATION** outlining requirements for continued federal financial aid eligibility. You must then register for courses so we can verify that you are taking only the courses listed on your POS. It is to your advantage to register as early as possible. The Office of Student Financial Aid will review your course enrollment at the beginning of each semester to ensure that you are enrolled only in the courses listed on your POS.

Financial aid will not pay for courses not listed on your approved POS.

PLEASE NOTE:

1. Your POS, course enrollment, and grades will be reviewed at the end of each semester before federal financial aid will be awarded for the next semester.
2. Grades of AU, IN, IP, NR, PR, U, W, and Z are not considered completed courses. Grades of F and NC are not considered successfully completed courses. Withdrawals and drops are considered incomplete courses.
3. If you leave The University of Toledo, your academic progress status will remain the same, even if you re-enter at a later time.
4. Listing requirements such as: "12 hours of general education coursework" or "8 hours of coursework in major field" are not acceptable, as financial aid administrators must look at specific course numbers to determine compliance with your POS.
5. Revised POS forms received will be compared to original forms received to determine changes. Significant course changes or expected graduation date changes may require additional explanation.

The decision of the review committee is final.
