Comments/Notes:

ENGL 5100 is no longer a required course for the M.A. in English Literature degree from Fall 2016. Students will take an elective English course in place of this. The number of total credits for the MA degree (33 for students without GAships and 36 for students with GAships) remain unchanged.

Rationale:

Students will take an elective English course in place of ENGL 5100. This will let them take more English Literature courses.
