Impact of Graduate Studies on our Nation

Impact of Graduate studies on our Nation

By 2020, the BLS estimates that the number of jobs requiring advanced degrees will increase by 2.5 million.

- 18% increase in jobs requiring a masters degree
- 17% increase in jobs requiring a doctoral degree

Impact of Graduate Students on UT

It has been previously calculated that each UT graduate assistant has an average ROI of \$121,188.

Recently, \$500,000 was invested to fund 37 new graduate assistantships. It expected that these new assistantships will have a total ROI of \$4,483,936.

GSA is Committed to the Development and Future Success of UT Graduate Students

Midwest Graduate Research Symposium – March 2012

GSA Travel Reimbursement Program

~200 Presenters representing 11 Universities from Ohio, Michigan and Indiana. Over 25 separate UT departments!

Responsible for review of travel applications for to more than 60 graduate students in AY 2011-12 allowing them to present their research at the National and International Level

Professional development series (co-sponsored with the COGS)

Graduate Students: The Job Hunt

Thursday, February 16, 2012 • 12:00 – 1:30 pm • SU 2591

This program is designed to provide an overview of both the academic job search process as well career paths outside academia. Information will be given to assist you in identifying options, translating your credentials and skills, networking (including using LinkedIn), relocating, and job searching strategies. Co-sponsored by College of Graduate Studies and Office of Career Services.
