The Graduate Student Association

The Graduate Student Association (GSA) is an organization that strives to voice the concerns of graduate students, representing more than 4,500 graduate students at the University of Toledo (UT), while also providing funding to subsidize travel to conferences and symposiums. The GSA represents the diverse graduate student community as a whole. The GSA also organizes social events both on and off campus, to help graduate students develop social and professional contacts across all of the University's colleges. Together, we are stronger than separate. Together, we can help maintain UT as a first rate institution for graduate education, across all fields of study.

What does the GSA do for YOU?

Professionally & Academically

The GSA sponsors the Graduate Student Symposium every spring. This symposium gives students an opportunity to present their research to fellow graduate students, spanning across a plethora of disciplines including Arts and Science, Business Administration, Education, Engineering, Health Science & Human Service, Law, Medicine, Nursing & Pharmacy. The GSA also provides partial grants to graduate students to attend and present their original research at conferences and other professional meetings.

Socially

The GSA sponsors social events on and off campus including barbecues, bowling, trips to the Toledo Zoo, Toledo Mud Hens games, outings to local bars and restaurants. The most appealing part of GSA is that it is completely student run; the activities and goals of the GSA are set by its members, YOU! That's right; you are automatically a member if you are a graduate student.

How do I become involved?

Every graduate student at UT is automatically a member of the GSA, and depending on your interests, you can choose to become as involved as you wish. The GSA holds monthly meetings and there are numerous GSA and university committees that GSA members can serve on such as the GSA Budget Committee, GSA Activities Committee, Curriculum Committee, Research Council, Graduate Council, and Library Committee. Your involvement can make a difference! Contact the GSA via e-mail to be included in our mailing list for receiving up-to-date information on meeting times and events.
