Request for Time Extension & Course Recertification

Instructions: This form is to be used by students requesting an additional extension of time to complete their degree. Students who have previously been granted a one year extension through the Continuation of Matriculation for Degree process or the Readmission process, must complete the top portion of this form and submit it to their advisor. Students completing a Readmission Application whose anticipated date of graduation is beyond a one year extension of their original time to degree must also complete this form. Approval of the Advisor, Chair or Program Director, and Associate Dean of the Degree Program indicates that the student has been deemed sufficiently current and adequate to continue to work toward the degree and that the student is making satisfactory progress as determined by internal department or college procedures. The completed form with all approval signatures and any supporting documentation should be returned to the respective College of Graduate Studies Office for review and final approval. Notification will be sent via university e-mail to both the student and advisor.
