Dept/Academic Unit

Program Code

Program Name

Minimum number of credit hours for completion (If changed):

List all courses which comprise the certificate or degree and identify term offered (Summer/Fall/Spring)

The purpose of this submission is to specify the exact requirements so they can be included in the upcoming catalog revision. The total hours have increased from 35 to 38 owing to increases in the number of credits associated with PSY 6220 & 6230 and the addition of one hour of thesis. The description and explanation are attached for ease of reading.
