

PARALEGAL PROGRAM

TRANSFER POLICY

Only two “legal specialty” courses may be transferred into UT’s Paralegal Studies Program to fulfill “LGL” requirements for the associate degree in paralegal studies, the bachelor of science in paralegal studies, the post-baccalaureate certificate in paralegal studies, and the nurse paralegal.

Exceptions to this policy will be considered for students transferring from an American Bar Association approved paralegal program. Such exceptions will be determined on a case-by-case basis by the Program Director and the Program Advisor(s), in consultation with the Program’s faculty when appropriate.

This policy is for the “legal specialty” courses only. This policy does not alter or invalidate any other policies or requirements of The University of Toledo and/or the College of Social Justice and Human Services regarding transfer credit. In addition, this policy does not preclude utilizing “legal specialty” courses from another institution for other, non-legal specialty course requirements in the bachelor of science in paralegal studies, as deemed appropriate by the Program Director and Program Advisor(s).
