

Undergraduate Research Proposal Writing Workshops

Tuesday, January 24, 2012
and
Wednesday, January 25, 2012

Students and Faculty mentors: If you are interested in participating in any of the following Office of Undergraduate Research (OUR-UT) summer research programs:

- Academic Year Research Program: **AYRP**
- First Year Summer Research Experience: **FYSRE**
- Undergraduate Summer Research & Creative Activity Program: **USRCAP**
- UT-City of Toledo Internship Program: **TolInterns**
- Work-Study Research Program: **WSRP**

and/or research programs through the Honors College:

- Sullivan Grants and Hoch Fellowships

then come to the grant proposal writing workshops on Tuesday, January 24, 2012 and/or Wednesday, 25, 2012.

Speakers at the workshop will provide general hints on how to compose well-crafted proposals and discuss how to identify the various research possibilities. Informal discussions of students and faculty mentors with presenters will occur after the presentations.

Tuesday, January 24, 2012 Sullivan Hall, main campus

4:00pm - 6:00pm -- Arts, Humanities, Business, Education, and related disciplines

Wednesday, January 25, 2012 Sullivan Hall, main campus

4:00pm - 6:00pm -- Sciences, Engineering, Math, Medical, Pharmacy, and related disciplines

Students & faculty mentors are welcome to come to either presentation or both. More information can be found in the "Student Research Handbook" or by contacting the OUR-UT.
