Posters at the Capitol: Undergraduate Research in Northwest Ohio

Ohio Statehouse Atrium, April 08, 2014

Undergraduate students from any discipline are invited to submit abstracts for research posters to be presented at the Posters at the Capitol event, April 08, 2014. The Sixth Annual Posters at the Capitol is an important event for undergraduate students from Northwest Ohio to showcase their research. Students selected for participation will design and produce professional quality research posters presenting their research and its significance for Ohio. These posters will be displayed at the Ohio Statehouse in Columbus from 10:30am to 1:00pm, Tuesday, April 08, 2014. Students conducting the research and designing the posters will be in attendance with their posters, so that Ohio legislators, legislative staff, state agency personnel, and visitors to the Statehouse can learn more about the research and discoveries students are making and ask questions on a one-on-one basis. This annual event in Ohio is modeled after the highly successful national Council on Undergraduate Research “Posters on the Hill” display that is held annually in the Capitol of the United States in Washington, D.C.

The event is being jointly planned and organized by the invited institutions in Northwest Ohio, which include: Bluffton University, Bowling Green State University, Defiance College, Heidelberg University, Lourdes College, Mercy College of Northwest Ohio, Northwest State Community College, Ohio Northern University, Owens Community College, Rhodes State College, Terra Community College, Tiffin University, University of Findlay, and The University of Toledo. The event is supported by the UT Office of Undergraduate Research, the BGSU Center for Undergraduate Research and Scholarship, the University of Findlay, and the UT Sigma Xi chapter.

Abstracts for posters must be submitted by Friday, March 21, 2014. The program committee will finalize invitations to participate by Wednesday, March 26, 2013 and students selected to participate will be notified via e-mail on or about Wednesday, March 26, 2014. Participants will receive a Posters at the Capitol program packet containing specific instructions for preparing posters. Participants must attend a pre-event briefing in late March or early April to receive information about preparing posters, traveling to and from Columbus on April 08, contacting the state legislators from their home districts, and expectations for their participation during the event.

Abstracts for posters should be completed in the Abstract Form (downloaded from: http://www.utoledo.edu/honors/undergradresearch/pdfs/pdfs_postersatthecapitol/abstractForm2014_rev1.doc, endorsed by a faculty mentor and then emailed to undergradresearch@utoledo.edu. Both single student and student group projects are welcome to participate. For additional details, please see: http://www.utoledo.edu/honors/undergradresearch/.
