

# How to Download Handheld PDA Resources from MICROMEDEX

1. Click on “Thomson Healthcare Evidence/Healthcare Series”.

The screenshot shows the Thomson Gateway website. At the top, the Thomson logo is on the left, and the tagline "Information Solutions for a Healthy World" is in the center. On the right, there is a photograph of a doctor and a patient. Below the header, the page is divided into two main sections. The left section, titled "Thomson Gateway for", lists several services: MICROMEDEX Healthcare Series, CareNotes™ System, Formulary Advisor®, and PDR® Electronic Library. Each service has a brief description and a "Learn More" link. The right section, titled "Your applications:", contains two blue buttons: "Thomson Healthcare Evidence/ Healthcare Series" and "CareNotes™ System". A red arrow points to the first button. Below the buttons is a "Log in as someone else." link.
