--	--	--	--

--	--	--	--

**Total Required: 18**

This page is to be used for quick reference. It is recommended that students use the Degree Audit to monitor completion of Core Requirements, and consult with an advisor well in advance of deadlines for the submission of the application for graduation to make sure that requirements have been satisfied. If you do not know whether a course satisfies a requirement, consult the University Catalog.

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

- Students are responsible for ensuring that all A&S Requirements are met. If you have a question about these requirements, see an advisor in LST or in the College Office.
- No course may be counted for both LST and another major, minor, or distributive requirement. This is a university rule (WAC and Multicultural Courses are exceptions to this rule. See the Catalog).
- All LST majors are strongly encouraged to take a second major or a minor in another field.
