**POLICY**

Monthly Medical Knowledge Test

**PURPOSE**

In order to evaluate residents medical knowledge, maintain a high standard and to improve residents performance in in-service and internal medicine board examinations, every resident is required to take the monthly knowledge content test.

**PROCEDURE**

1. All Internal Medicine Resident including preliminary residents are required to take the monthly content of knowledge test which is usually administered during didactic the last week of each calendar month.

2. Residency Committee agreed on a minimum percentage score based on PGY level and as follow,

   - PGY-1: 45%
   - PGY-2: 55%
   - PGY-3: 65%

3. Residents at risk are required to meet with the Program director and his Associates to develop and implement a plan to remediate deficits. The frequency of these meeting will vary by resident and will be determined by the faculty advisor in consultation with the Residency Program Director.
