

**CHECKLIST FOR SECOND YEAR STUDENTS**  
**BEFORE ENTERING THE CLINIC**

As a final step before students progress into the clinic, the Director of the Graduate Medical Physics Program will review your program, making sure that the appropriate forms are filled out, your transcript is correct, and that you have read and understand the Department of Radiation Oncology Policies and Procedures.

- Plan of Study is filled out (copy in file)
- Transcript printed and reviewed
- Policies and Procedures have been read and reviewed with the staff physicists
