

Title of Clerkship: Emergency Medicine Acting Internship-UTMC
 Elective Type Acting Internship
 Department: Emergency Medicine
 Elective Designation: Clinical X Non-Clinical/Research _____ Basic Science _____
 Clerkship Site: UTMC
 Course Number: ERMD715
 Blocks Available: All
 Number of Students/Block: 2
 Faculty: Emergency Medicine Attending's and Resident Staff
 Elective Description/Requirements: The student will become a part of the emergency team whose members handle all phases of emergency patient management ranging from triage to final disposition. The student will have the opportunity to examine patients and discuss his/her findings with the Emergency Medicine Attending's and Residents.

Students will conduct follow-up communications with select patients to assess short-term response to therapy and to ensure follow-up instructions are being followed and to assist with any problems under guidance of ED faculty and staff. Students will attend weekly simulation sessions to partake in patient care scenarios in an interdisciplinary system as well as to hone old skills and develop new ones.

Students will complete one ride along shift with EMS personnel to experience patient triage and treatment in the field prior to arrival in the ED. Acting Internship students will be required to adhere and be able to show competencies in the below Emergency Medicine Student Milestones which will prepare students interested in EM as a specialty to the Milestones used by ER residency.

Each acting intern must complete two on-line modules to prepare the acting intern for his/her role as teachers of junior medical students.

Length of Clerkship: 4 weeks

Links to Competencies: Educational Course Objectives: At the end of the rotation the student will be able to:
