

Title of Clerkship:	Cardiology Acting Internship - MSVMC
Elective Year(s):	Fourth
Department:	Internal Medicine
Type of Elective:	Clinical <input checked="" type="checkbox"/> Non-Clinical/Research <input type="checkbox"/> Basic Science <input type="checkbox"/>
Clerkship Site:	Mercy St. Vincent Medical Center (MSVMC)
Course Number:	MEDI705
Blocks Available:	All
Number of Students per Block:	1
Faculty:	J. Cohen, M.D. – A. Kabour, M.D. – T. Welch, M.D. - M. Al-Khateeb, M.D. - R. Hashmi, M.D. - M. O'Connor, M.D. - T. Kanaan, M.D.
Elective Description / Requirements:	This clerkship provides the student with exposure to diverse cardiac problems in a setting of a community hospital. The student will be expected to do a history and physical exam on patients assigned to him or her during either admissions to the service or consultation. The student will present the case to the residents on the service and also the attending cardiologist during rounds. The cardiologist makes rounds on a daily basis and the student is expected to accompany the attending cardiologist on rounds. Students will also have the opportunity to observe various procedures and in appropriate settings may actually assist in doing some procedures. It is anticipated that the student will be allowed to evaluate and follow 3 – 5 patients per week. Each acting intern must complete two on-line modules to prepare the acting intern for his/her role as teachers of junior medical students.
Length of Clerkship:	4 weeks
<u>Links to Core Competencies</u>	<u>Educational Course Objectives</u>
PC-1	<i>After completing the rotation, the student will be able to:</i> Interview patients collecting pertinent data concerning the patients' presenting problems
PC-2	Perform a complete or focused physical examination as appropriate and distinguish normal from abnormal findings
