Title of Clerkship: General/Trauma Acting Internship - UTMC
Elective Type: Acting Internship
Department: Surgery
Clerkship Site: The University of Toledo Medical Center
Course Number: SURG705
Blocks available: All
Number of students per block: 1-2
Faculty: Marilyn Borst, M.D., William Olorunto, M.D., Jianlin Tang, M.D.

Elective Description/Requirements: This course is designed to gain experience in modern diagnosis and treatment of surgical disease and related professional skills such as the patient’s personal reaction to disease and recognition of social and personal factors contributing to disease, particularly in a trauma setting. 25% inpatient care, 22% clinical rounds, 45% outpatient care, 8% conference/lectures.
Each acting intern must complete two on-line modules to prepare the acting intern for his/her role as teachers of junior medical students.

Length of Clerkship: 4 weeks

Educational Course Objectives: At the end of the rotation the student will be able to:
S1, S4, S9, S10, S11 1. Demonstrate proficiency at performing the trauma protocol
S3, S4, S5, S6, K7 2. Summarize the history and physical exam and compose a differential diagnosis and treatment plan
S8, S9, S10, S11, K7 3. List the most common causes of traumatic injuries and surgical problems and how to treat them
S7, S8, S9, K5, K7 4. Interpretation of imaging/radiographic studies
S6 5. Acquire skills to assist in wound care, surgical endoscopy, abdominal, endocrine, and cancer surgery
S6 6. Acquire basic operative procedure techniques including suturing and laparoscopic procedure techniques
S8, S9, K2 7. Manage a patient pre and post operatively
S6 8. Demonstrate the ability to participate in surgical procedures respecting sterile technique and universal precautions
S8, S9, S10, S11, K2 9. Prioritize management of therapeutic options
S1, S3, S5, S7 10. Write a complete and accurate daily progress note including interpretation of results of laboratory and radiographic/imaging studies
S1, S3 11. Accurately present patient information concerning the patient’s condition, progress and results of laboratory and radiographic/imaging studies

Professionalism: UT/COM students will meet or exceed the institutional standards for professionalism as stated in the current Educational Program Objectives and the current Educational Course Objectives for the Sponsoring Department.

Instructional Methods:
1. Interpretation of lab data
2. Diagnostic tests-use/interpretation
3. Small group discussions
4. Case studies
5. Ambulatory care experience
6. Grand rounds
7. Teaching rounds
8. Residency program/department conferences

Evaluation methods employed:
1. Clinical competency evaluations
2. Faculty/Resident observation
3. Professional assessments
