Title of Clerkship: Psychiatry Elective - Public and Community (4 weeks)

Elective Type: Fourth Year Elective

Department: Psychiatry

Clerkship Site: The University of Toledo Medical Center, 38 sites throughout Northwest Ohio with whom the University has education affiliation agreements.

Course Number: PSCH712

Blocks available: Student must check and receive approval from Dr. Mary Kay Smith prior to completing paperwork with registrar

Number of students per block: 1

Faculty: Mary Kay Smith, MD

Elective Description/ Requirements: The student will meet with the director of the elective at least two months prior to the start of the elective so that a schedule of activities incorporating the student’s special interests can be arranged. The student will travel to a number of sites throughout the community mental health, substance use disorder, criminal justice, and social service systems and will participate in programs at these sites and elsewhere in the community via outreach activities. The schedule will vary according to the particular activities and the day but will be limited to five days per week. There will be no scheduled activities on the weekends.

The student must have successfully completed the required clerkship in psychiatry prior to requesting this elective.

Length of Clerkship: 4 weeks

Links to EPOs: Educational Course Objectives:

K10, K13, K14, K15, K16, S1, S2, P1 – P7
