

Title of Clerkship: Pediatric Pulmonary Elective
Elective Type: Fourth Year Elective
Department: Pediatrics
Clerkship Site: Toledo Children’s Hospital 2121 Hughes Drive, # 640, Toledo 419-291-2207
Course Number: PEDS717
Blocks available: All
Number of students per block: 1
Faculty: Dr. Bruce Barnett, and other Faculty

Elective Description/ Requirements: The pediatric pulmonary medicine elective is composed of both outpatient and inpatient rotation. The inpatient rotation consists of the patients who are hospitalized at TCH under the primary pulmonary service or on a consultation basis. This also included patients in the neonatal ICU. Consultations at other area hospitals are also provided. Students are encouraged to accompany the attending physician. The outpatient service at TCH offers exposure to a wide variety of pediatric pulmonary problems, including asthma, BPD, GERD pediatric sleep disorders, cystic fibrosis, infant apnea, etc. Pulmonary function tests and pulmonary physiology will be part of the daily rounds while on this elective. Monday through Friday, 8:30 am to 5 pm unless instructed otherwise. Home call responsibility during month as arranged.

Length of Clerkship: 4 weeks
