

Title of Clerkship: Nephrology – St. Joseph Mercy Hospital (SJM), Ann Arbor, MI
Elective Type: 4th Year Elective
Department: Internal Medicine
Clerkship Site: SJMH
Course Number: MEDI 715
Blocks available: All
Number of students per block: 1
Faculty: Drs. Berkowitz, Behrend, Dancey, Maru, Mayer, Pandrani, Rehan, Smith

Elective Description/ Requirements: This elective consists of a mixture of inpatient consultation and outpatient experiences. The student will have primary and/or consultative responsibility for patients who have a variety of acid-base and electrolyte disorders and problems in clinical nephrology and renal transplantation. Students will be responsible for evaluating patients and formulating a plan of care, which will then be presented, to faculty. House officers may or may not be on the rotation. Topics discussed during the rotation will include: fluids and electrolytes, acid-base problems, hypertension, nephrolithiasis, acute renal failure, chronic renal failure, glomerular diseases, interstitial diseases, dialysis, and transplant. Opportunity to attend morning report and noon conference will also be provided.

Length of Clerkship: 4 weeks
